	Paul Pope, Extension Program Specialist	600 John Kimbrough Blvd., Suite 128H, 2116 TAMU, College Station, TX 77843-2116 Phone: 979-845-7202 (office) ppope@tamu.edu	Statewide	Evaluation

	Michelle Payne, Extension Program Specialist	600 John Kimbrough Blvd., Suite 128L, 2116 TAMU, College Station, TX 77843-2116 Phone: 979-845-6511 (office) mmpayne@tamu.edu	Statewide	Specialist Development, TexasData Support
	Tom Payne, Management Analyst	600 John Kimbrough Blvd., Suite 128D, 2116 TAMU, College Station, TX 77843-2116 Phone: 979-458-3705(office) tom-payne@tamu.edu	Statewide	Applications Development, Accountability, Data Visualization
	Curtis Krajca, Software Engineer IV	600 John Kimbrough Blvd., Suite 128E, 2116 TAMU, College Station, TX 77843-2116 Phone: 979-847-4153 (office) ckrajca@tamu.edu	Statewide	Applications Development, Database Management

Animal Science

	Name and Title	Contact Information (address, phone, email)	Primary Geographic Area Served	Subject Matter Covered/Areas of Expertise
	**Jason Banta** Associate Professor & Extension Beef Cattle Specialist	Office: Texas A&M AgriLife Research and Extension Center in Overton jpbanta@ag.tamu.edu Phone: 903-834-6191	Districts 4, 5, 9. Statewide coordinator for Beef Quality Assurance Training	Beef Cattle Nutrition, Forages and general ranch management. Stockmanship. Beef Quality Assurance
	Bruce Carpenter Associate Professor & Extension Livestock Specialist	Office: District VI Texas A&M AgriLife Extension Center in Ft. Stockton bruce.carpenter@ag.tamu.edu Phone: 432-336-8585	Districts 6, 7. Statewide Coordinator for AI/Pregnancy Determination Clinics	Beef Cattle Reproductive Management, Small Ruminant Production. Ranch Resource Management.
	Jason Cleere Associate Professor & Extension Beef Cattle Specialist	Office: Room 241 Kleberg jjcleere@tamu.edu Phone: 979-845-6931	District 9 and Coordinator of the Texas A&M Beef Cattle Short Course.	Beef Cattle Reproduction and Nutrition. Cowboy BQA trainings
	Ron Gill Professor & Extension Livestock Specialist; Associate Department Head for Extension	Office: Room 133 Kleberg rgill@tamu.edu Phone: 979-845-3579	Statewide support.	Range and beef cattle nutrition. Equine nutrition and mgt. Ranch resource management. Stockmanship and Low-Stress management
	Davey Griffin Professor & Extension Meat Specialist	Office: Room 348 Kleberg Email: dgriff@tamu.edu Phone: 979-845-6489	Statewide support. Coordinates Beef and Pork 101 programs and BBQ camps	Cutability and composition of carcasses/value-based marketing. Consumer issues concerning meat and meat products, youth development
	Thomas Hairgrove Livestock and Food Animal Systems Coordinator	Office: Room 241 Kleberg Email: tbhairgrove@tamu.edu Phone: 979-458-3216	Statewide support for Extension Veterinarian efforts	Beef cattle health management. Disease surveillance. Beginning Rancher programs

	Dan Hale Professor & Extension Meat Specialist	Office: Room 348 Kleberg Email: dhale@tamu.edu Phone: 979-845-2053	Statewide support Coordinates Beef 706. Maintains RanchTV and YouTube uploads	Diet/health, food safety, livestock growth and meat science education for all segments and consumers
	Steve Hammack Professor Emeritus & Extension Beef Cattle Specialist	Office: Texas A&M Center in Stephenville Email: steve.hammack@ag.tamu.edu Phone: 254-968-4144	Program unit support. Beef Browsing Newsletter	Animal breeding and genetics.
	Ellen Jordan Professor & Extension Dairy Specialist	Office: Texas A&M AgriLife Research and Extension Center in Dallas Email: ellen.jordan@ag.tamu.edu Phone: 972-952-9212	North Texas Dairy production areas. Currently providing statewide support	Dairy cattle production and management.
	Ted McCollum Professor & Extension Beef Cattle Specialist	Office: Texas A&M AgriLife Research and Extension Center in Amarillo Email: ted.mccollum@ag.tamu.edu Phone: 806-677-5600	District 1, 2 & 3.	Beef cattle nutrition. Feedlot, stocker and range cow management. Beef quality assurance
	Joe Paschal Professor & Extension Livestock Specialist	Office: Texas A&M AgriLife Research and Extension Center in Corpus Christi Email: joe.paschal@ag.tamu.edu Phone: 361-265-9203	District 9, 11 and 12.	Beef cattle breeding and genetics. Ranch resource management
	**Shawn Ramsey** Professor, Assistant Head for Undergraduate Programs	Office: Kleberg Center 979-845-7616 sramsey@tamu.edu	One-quarter-time appointment. Youth Lamb and Goat Camps and Judging	Sheep and Goat Production and Evaluation Wool and Mohair Production and Evaluation

	Reid Redden Sheep & Goat Specialist and Associate Professor	Office: Texas A&M AgriLife Research and Extension Center in San Angelo Email: Reid.Redden@ag.tamu.edu Phone: 325-653-4576 ext. 224	Statewide responsibility	Sheep production and management.
	Dennis Sigler Professor & Extension Horse Specialist	Office: Texas A&M AgriLife Research and Extension Center in Stephenville dennis.sigler@ag.tamu.edu Phone: 979-862-3595	Statewide Responsibility	Equine nutrition, training, evaluation and management, youth leadership
	**Jennifer Zoller** Horse Program Specialist 1	Office Room 249 Kleberg Jennifer.zoller@tamu.edu Phone: 979-862-5980	Statewide Responsibility	Equine nutrition, exercise physiology, training, horse judging, youth leadership

Biological and Agricultural Engineering

	Name and Title	Contact Information (address, phone, email)	Primary Geographic Area Served	Subject Matter Covered/Areas of Expertise
	Dr. Brent Auvermann, Professor and Extension Ag Engineer – Environmental Systems	Texas A&M AgriLife Research and Extension Center – Amarillo 6500 Amarillo Blvd. West, Amarillo, TX 79106-1796 Phone: 806-677-5600 (office) bauverma@ag.tamu.edu	Statewide with primary responsibility in Districts 1 and 2	Agricultural air quality, livestock production, animal manure and wastewater management, carcass composting
	Dr. Gabriele Bonaiti, Extension Program Specialist	Department of Biological and Agricultural Engineering 309 Scoates Hall College Station, TX 77843-2117 Phone: (979) 862-2593 g.bonaiti@tamu.edu	Districts 4-12	Irrigation canal systems, irrigation scheduling, flow metering & monitoring, water quality improvement, geographic information systems (GIS) & data management
	Dr. Guy Fipps, P.E., Professor and Extension Agricultural Engineering Specialist	Department of Biological and Agricultural Engineering 204B Scoates Hall College Station, TX 77843-2117 Phone: (979) 845-7454 g-fipps@tamu.edu	Districts 4-12	Landscape irrigation, regional water planning, irrigation technologies and management, pumping plant efficiency testing, salinity and water management, weather stations and ET networks, WaterMyYard

	Ryan Gerlich, Extension Program Specialist	Department of Biological and Agricultural Engineering 306D Scoates Hall College Station, TX 77843-2117 Phone: (979) 458-4185 rgerlich@tamu.edu	Statewide	On-site sewage facilities, septic systems, aerobic treatment units, rainwater harvesting
	Dr. Charles Hillyer, Assistant Professor and Extension Specialist	Texas A&M AgriLife Research and Extension Center – Amarillo 6500 W. Amarillo Blvd. Amarillo, TX 79106 Phone: 806-677-5681 Charles.Hillyer@ag.tamu.edu	District	Irrigation engineering, irrigation management, systems integration
	Dr. Fouad Jaber, P.E., Associate Professor & Extension Specialist	Texas A&M AgriLife Research and Extension Center – Dallas 17360 Coit Road Dallas, Texas 75252 Phone: (972) 952-9672 f-jaber@tamu.edu	Primary responsibility in District 4	Integrated water resources management, watershed and stormwater management, and low impact development (LID)
	Dr. Anish Jantrania, P.E., Associate Professor and Extension Specialist – Water and Wastewater Management	Blackland Research & Extension Center 720 East Blackland Rd Temple, TX 76502 254-774-6014 (office) Anish.Jantrania@ag.tamu.edu	Statewide	Water education, septic systems, on- site sewage facilities (OSSF), decentralized water and wastewater systems, and wastewater reuse
	Dr. Dana Porter, P.E., Associate Professor, Extension Program Leader and Associate Department Head	Texas A&M AgriLife Research and Extension Center - Lubbock 1102 E. FM 1294 Lubbock, TX 79403 Phone: 806-723-8426 d-porter@tamu.edu	Statewide with primary responsibility in Districts 2 & 3	Agricultural irrigation and water management; irrigation technologies and BMPs, water quality and salinity management

	David Smith, Extension Program Specialist	Department of Biological and Agricultural Engineering 301D Scoates Hall College Station, TX 77843-2117 Phone: (979) 862-1989 davidsmith@tamu.edu	Statewide	Water, food and energy programs for youth, CEAs and volunteer trainers; agricultural safety; climate change and animal agriculture
	Charles Swanson, Extension Program Specialist	Department of Biological and Agricultural Engineering 322B Scoates Hall College Station, TX 77843-2117 Phone: (979) 845-5614 clswanson@tamu.edu	Districts 4-12	Landscape irrigation and related technologies, irrigation scheduling, weather stations and ET networks; WaterMyYard
	Dr. Dotty Woodson, Program Specialist Water Resources	Texas A&M AgriLife Research and Extension Center - Dallas 17360 Coit Road Dallas, TX 75252 Phone Office : 972-952-9688 Phone Mobile: 817-723-3666 FAX: 972-952-9216 d-woodson@tamu.edu	Statewide with primary responsibility in Districts, 4, 3, 5, 8,	Landscape water conservation; rainwater harvesting; urban irrigation efficiency

Ecosystem Science & Management

	Name and Title	Contact Information (address, phone, email)	Primary Geographic Area Served	Subject Matter Covered/Areas of Expertise
	Dr. Robert K. Lyons, Associate Department Head, Professor and Extension Range Specialist	1619 Garner Filed Road, Uvalde, TX 78002 Phone: 830-278-9151 (office) larry.stein@ag.tamu.edu	Statewide with primary responsibilities in Districts 10, 7, & 12	Brush management, grazing distribution, grazing behavior, stocking rate/carrying capacity
	Dr. Megan Clayton, Associate Professor and Extension Range Specialist	10345 Highway 44, Corpus Christi, TX 78406 Phone: 361-265-9203 (office) megan.clayton@ag.tamu.edu	Primary responsibility in Districts 11 & 12	Integrated livestock and wildlife management, habitat management, Use of herbicides, native restoration
	James R. Jackson, Extension Program Specialist	1229 North U.S. Hwy 281 Stephenville, Texas 76401 Phone: 254-968-4144 (office) jamesr.jackson@ag.tamu.edu	Primary in Districts 8, 3 and 4 with certain counties in district 7	Range Management with focus on weed and brush control
	Dr. Emi Kimura, Assistant Professor and Extension Agronomist	11708 Highway-70 S. Vernon, TX 76384 Phone: 940-552-9941 (office) emi.kimura@ag.tamu.edu	Rolling Plains (District 3)	Brush control, and Range and pasture management

	Alyson McDonald, Assistant Professor and Extension Range Specialist	Po Box 1298 1618 Airport Dr. Fort Stockton, TX 79735 Phone: (432)336-8585 (office) akmcdonald@ag.tamu.edu	District 6 and portions of 2	Streams, groundwater, reseeding, soil and water conservation, weed and brush management
	Dr. Barron S. Rector, Associate Professor and Extension Range Specialist	Mail Address: 2138 TAMU, College Station, Texas 77843-2138 Actual Location: Rm.302, Horticulture/ Forestry Building; College Station, TX 77843-7101 Phone: 979-845-2755 (office) b-rector@tamu.edu	Statewide with primary responsibility in Districts 4, 5, 8, 9 & 11	Range Plant Identification; Range Animal nutrition; 4-H and youth; range ecology; ecosystem management; range watershed management; range seeding; grazing management; range monitoring; impact of humans on Texas rangelands; prescribed burning; brush and weed control; Texas Cactus Moth Interception and Survey Program
	Dr. Morgan Russell, Assistant Professor and Range Extension Specialist	San Angelo Research and Extension Center 7887 US HWY 87 North, San Angelo, Texas 76901 Office: 325.657.7317 morgan.russell@ag.tamu.edu	Statewide with primary responsibilities in Districts 7, 6, 3, and 2	Brush management, chemical applications, prescribed burning, fire effects, grazing management

	Dr. Tim Steffens, Assistant Professor West Texas A&M University and Extension Range Specialist	WTAMU Box 60998 Canyon, TX 79016-001 (806)651-2781 (o) (806)282-8004 (c) tsteffens@wtamu.edu	Primary responsibility in Districts, 1, parts of 2 and 3	Grazing management, Wildlife habitat management, watershed management, weed and brush management

Entomology

	Name and Title	Contact Information (address, phone, email)	Primary Geographic Area Served	Subject Matter Covered/Areas of Expertise
Extension Specialists				
	Dr. Charles Allen Professor, Extension Entomologist, Assoc. Dept.
