

# Basic Vineyard Setup and Pruning HANDS on!

Saturday March 21, 10-4 pm (rain out day March 22)  
at The Lost Maples Winery/Polvadeau Vineyards

Polvadeau Vineyards (Bandera County's ONLY commercial vineyard and winery) is offering a 1 day basic training workshop to provide a "what to expect" and basic overview of what it takes to own, operate and run a vineyard. Hands on pruning will be offered along with cuttings and a few 1 year old plants to get you started. Vineyard owners Texas Tom and Ms. Glenda Slaughter the owners have been operating this vineyard since 2006 and have learned lots of what to do and not to do. Andrea McGilvray has been helping with pruning for the past 2007 and also has a nursery specializing in this variety.

## Topics will include:

Basic Layout of a Vineyard

Structure

Irrigation

Texas A&M Spray schedule

Soil samples

What can be done with the grapes

Jams/Jellies, Juice, Table Grapes

Wine, Port, Melomead

What types of grapes grow here & why
