East Texas Pasture Management Program

Friday, February 21, 2014

Texas A&M AgriLife Research and Extension Center
1710 N. Hwy 3053, Overton, TX 75684

A herbicide price comparison CD, updated for 2014, will be provided to help you make more economical choices when it comes to selecting a herbicide. **During this half a day program Drs. Vanessa Corriher-Olson, Jason Banta and invited speakers will cover the following topics:**

- Save money by understanding active ingredients, residual control and herbicide cost
- Test your knowledge with a hands on weed identification
- Grasshopper and fall armyworm control
- Spray adjuvants and additives
- Chemicals and hormones: They are everywhere!

Preregister by Feb. 20, 2014: Cost: \$25/ person
On-Site Registration Cost: \$30/person

(includes 2014 Herbicide Price Comparison CD)
