# MASTER FCS VOLUNTEER TRAINING

Master FCS (Family & Consumer Sciences) Volunteer Program training is for anyone interested in improving the quality of life of the citizens of Texas. Volunteers help extend our outreach and education in the areas of nutrition and health, financial and resource management, and parenting and family wellness. The training will cover a background of the Cooperative Extension Program and family & consumer sciences. By attending, participants can receive continuing education hours and access our educational resources for presentations, health fairs, corporate wellness initiatives, and more!
