

Backyard Gardening Series

Growing an Edible Landscape with Fruit Trees

October 2, 2012

Tuesday, 6:30 pm—8:30 pm

Texas A&M AgriLIFE Extension Service

3355 Cherry Ridge, Suite 208

San Antonio, TX 78230-4818
210 467-6575

Love fruit like peaches, plums, pears, and more? Come visit with Professor and Extension Horticulturist, Dr. Larry Stein of Texas A&M AgriLIFE Extension Service to learn about selecting, growing, and maintaining a home fruit orchard.

Earth-Kind Landscaping uses research-proven techniques to provide maximum gardening and landscape enjoyment while preserving and protecting our environment. The objective of Earth-Kind is to combine the best of organic and traditional gardening and landscaping principles to create a horticultural system based on real world effectiveness and environmental responsibility. David Rodriguez, County Extension Agent for Bexar County has all the right methods and answers for you.

You may pay your registration fee of \$10 in advance or at the door. Make check payable to **Texas A&M AgriLIFE**

Individuals with disabilities who plan to attend meeting and who may need auxiliary aid, service or accommodation must contact the Bexar County Office at (210) 467-6575 five days prior to the event so that appropriate arrangements can be made.

Educational programs of Texas A&M AgriLIFE Extension Service are open to all people without regard to race, color, sex, disability, religion, age, or national origin. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating.
