Backyard Gardening Series

Growing Herbs During Winter... It's Easy as 1-2-3

December 4, 2012

Tuesday, 6:30 pm—8:30 pm

Texas A&M AgriLIFE Extension Service

3355 Cherry Ridge, Suite 208

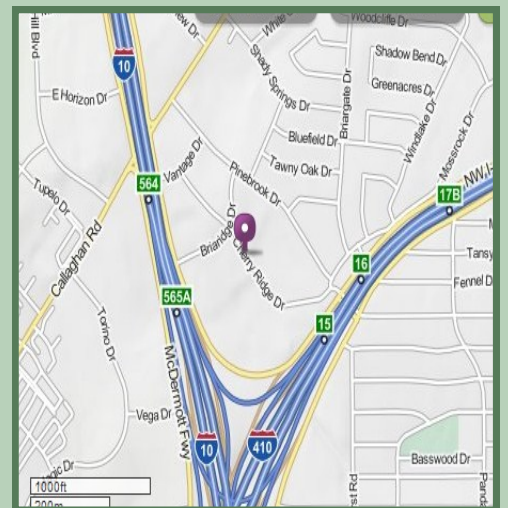

San Antonio, TX 78230-4818

Herbs are plants that are used as flavoring agents says Master Gardener Don Crites. He will talk about the common herbs used in cooking and are referred to as culinary herbs. Mild or savory herbs impart a delicate flavor to food while the stronger or pungent herbs add zest to foods. These herbs are attractive and varied so their ornamental value is also important. Come visit with Horticulturist, David Rodriguez and learn how to select, properly plant, maintain herbs, and much more.

For more information and to RSVP, contact Angel Torres at (210) 467-6575.

Earth-Kind®

You may pay your registration fee of \$10 in advance or at the door. Make check payable to
Texas A&M AgriLIFE
