Come join us this March for the Spring Youth Gardens Educator's training class. This program is designed for teachers, educators, and volunteers in support of Youth Gardening in the classroom and community.

Participants will learn how to begin a youth garden. Breakout sessions will be conducted to aid educators in enhancing their garden and curriculum. If you are interested in starting a gardening program in your school or community do not miss this educational opportunity! Plant materials will be distributed to participants who complete this training (Plant material is given per school/institution). **Training and lunch is provided at no cost to participants.**

Certificates & **CPE hours (4 credits)** will be awarded for completion of this program. For an application, call the Texas A&M AgriLife Extension Service - Bexar County office at 467-6575, or go on the web and download your application from:
