

Landowner's Management Workshop

Troy Luepke, Program Coordinator,
Water & Natural Resources, Bexar County

This workshop is intended to provide landowners helpful tips to combat weeds and or brush on their properties that are now emerging with the warmer weather and through the summer months. The second half of the program will provide methods to combat the feral hogs that many landowners are seeing on their properties.

5:30 – Weed and Brush Control for Wildlife Habitat

Presenter – Dr. Bob Lyons, Texas A&M AgriLife Extension Specialist

7:10 – Feral Hog Abatement for Land Owners
