

TEXAS A&M  
AGRI LIFE  
EXTENSION

Tuesday, June 7  
Texas 4-H Roundup

The Robotics Challenge is a contest designed to allow members to demonstrate their robotics, engineering, and problem-solving skills. From a set of challenges revealed at the contest and within an allotted amount of time, teams of 3 to 5 members will build, program, and test their robot. Teams will then attempt to earn points by completing as many challenges as possible.

Starting **Tuesday, March 1 at 6 pm** teams can submit their ***Intent to Compete*** application online via Qualtrics. Application will remain open until March 31 at 6pm or until all the team slots have been filled.

Contest is limited to 12 intermediate and 12 senior teams.

[https://agrilife.az1.qualtrics.com/SE/?SID=SV\\_5mrbb4dXAEWVpvD](https://agrilife.az1.qualtrics.com/SE/?SID=SV_5mrbb4dXAEWVpvD)

**PLEASE READ THE BELOW INFORMATION CAREFULLY BEFORE REGISTERING.**

1. At the time of submission of this form, each individual on the team must be a currently active (enrolled) 4-H member for the 2015-2016 year and be active in the 4-H robotics project.
2. Only one representative per team needs to complete this form. The representative can be a 4-H member, leader, parent, or County Extension Agent.
3. Limited to one team per county, per age division (intermediate/senior). Total of 24 teams (12 Senior and 12 Intermediate) will be accepted based on this first-come, first-served entry process.
4. A team must consist of 3 to 5 members within the same age division (intermediate or senior).
5. Completing this form does not constitute automatic acceptance nor is it an official entry in Texas 4-H Roundup.
6. We will use this system's (Qualtrics) date and time stamp as the official moment of submission.
7. All submissions will be sorted by their date/time stamps to determine the first 12 teams in each age division.
8. Following the sign-up period, accepted teams will be notified with instructions on how to officially register all team members for this contest on 4-H Connect.
9. Each team that submits this form will be contacted via email to notify if they have been accepted or not.
10. If for some reason a selected team withdraws from registering for Roundup, we will contact the first alternate team in line so that we fill our 24 total teams.
