

Guadalupe Robotics 4-H Club 3rd Annual Sumo-bot Competition

Location: Guadalupe County Agricultural Extension Office, 210 Live Oak, Seguin, TX 78155

Date and Time: December 3, 2016 from 9AM-2PM doors open at 9

Check in and Inspections: 9-9:30

Welcome: 9:30 **Competition begins:** 10:00 AM **Awards:** 2PM

Registration Fee: \$40 per team

Teams: 4-H Junior, Intermediate and Senior teams of 1-4 participants on each team

OVERVIEW:

Sumo-bot wrestling is a contest where two previously programmed LEGO Mindstorm (NXT or EV3) robot contestants try to push or flip each other's robot out of a circular ring. The first robot to have its tires or tracks completely out of the ring or is rendered immobile, loses. The last robot remaining in the ring or mobile wins.

***There are only 12 slots available for each Junior, Intermediate and Senior level teams. The first 12 paid and registered teams for each level will be guaranteed a tournament slot. After that, your team will be placed on a waiting list.**
