2011 Fall IPM Seminar

This is your invitation to join us for our annual fall pest management training—a full day of pesticide applicator continuing education from experts at Texas AgriLife Extension Service and our community. It's the best pesticide training available in north Texas.

You will receive the latest updates on pesticide laws, pest biology and identification, and pest management strategies. As always, participants are eligible to receive continuing education unit credits (CEUs) whether your license is from Texas Department of Agriculture or the TDA's Texas Structural Pest Control Service.

Directions

Directions: From George Bush (190) tollroad, take Coit Rd. exit and go south 0.6 mile. Turn left at McCallum. From Central Expressway, take Campbell Rd. west to Coit Rd. Turn right and go 0.6 mile to McCallum stoplight, then turn right. Follow parking signs for IPM conference.

Registration

Register
Online!

Note that all early registration is done online. We now accept credit cards as well as purchase orders and checks!

All early registration is online at:
<http://agriliferegister.tamu.edu>
