Directions: From the West, Airport/Downtown El Paso on I-10: Take exit 34A, Loop 375 / Americas Avenue South, 8 miles from Airway Blvd. This is the first exit after Zaragosa Road, stay in the far right lane. On the elevated ramp stay and with the merge onto Loop 375 stay in the right lane and take the first exit to North Loop road. At the end of the exit get in the far left lane and make the U-turn under the highway. This will put you on the gateway north. Get in the far right lane and make the first right turn onto A&M Circle just past the green sign that says "Texas A&M Research Center".

From the East on I-10: Take exit 34, Loop 375 / Americas Avenue. This is the first exit after Eastlake Dr. Stay on Gateway West (the access road paralleling the freeway) and go under Americas Avenue. Immediately after that, bear right on the cloverleaf that takes you to Americas Avenue south. Cross the bridge and immediately take the exit for I-10 east / Van Horn. You will be on Gateway East. Just past where the traffic is merging onto Gateway East from Americas Avenue, turn right on A&M Circle at the green sign that says "Texas A&M Research Center".
