	Less than: 1 lb	>1-3 lbs	3-5 lbs	6-8 lbs	9-11 lbs	The following are some specific hat measurements in each size category. You will notice that we ask for the hat measurements to be 1.0"-1.5" smaller than the head circumference measurements for each size category. This is due to the fact that the hats will stretch.
Circumference	4" - 4.5"	8.5" - 9"	11" - 11.5"	12" - 12.5"	13" - 14"	
Length (height)		3.5" - 4"	4" - 5"	5" - 6"	6" - 6.5"
