4-H Junior Leadership Lab

The objective of Junior Leadership Lab is to prepare intermediate age 4-Hers from the 18 counties in District 9 for leadership roles. These roles might be at the county level or their clubs. The hope is that participants will take information back from lab and share it with members back in their counties. The lab is set up to be enjoyable and fun, but there is work too. The sessions require participant involvement and concentration.

Play time is set up with activities that build team work skills and camaraderie in the district. Want to be a Teen Leader? See the back of this brochure.
