

4-H Project Runway Oct 3

Project 4-H Runway – is a series of workshops and service project ideas designed to build skills in the Clothing & Textile project and prepares youth for the 4-H Fashion Show Contests. Fashion Show contests offers youth a chance gain skills in clothing construction/sewing or on how to be a wise fashion shoppers. The Fashion Show Storyboard Contest that give kids a chance to design clothing, pet clothing, accessories or home décor items. The newest categories for Fashion Show include Best Outfit for under \$25 which includes shopping the re-sale stores and ReFashion challenging youth to redesigned a clothing item and create new textile items from used clothing.

Fashion Show Construction/Sewing: Youth will learn how they can sew their way on to the 4-H Project Runway and learn about the 4-H Sew days planned to help them learn to sew. It's about look what you can do with a sewing machine!

Fashion Clothing Buying: is a contest that teaches consumer skills when purchasing fashion, looking at not only the best buy for the money, but the best quality. It's about fashion and shopping.

Fashion Design/Storyboard: Youth will learn how to present a fashion design and gain skills in concept of design, style, and fabric selection. It's all about drawing out design inspirations!

4-H CEO : Youth will learn "business basics" from creating a product to marketing , identify the target consumer to making a profit. It's all about starting a business.

Duds To Dazzle : Youth will work in teams to ReFashion a clothing item into something new and useful to wear or not to wear. It's all about creativity!

Adults wanting to learn about the Clothing & Textiles Projects will not want to miss this!
