module

**AgriLife
Topic:**

➤ **AgriLife Research and AgriLife Extension Service**

Participant outcomes:

- gain an understanding of the role of AgriLife Research and AgriLife Extension Service in the southern region of Texas.

➤ **Actions Speak Louder Than Words:
Understanding Nonverbal Communication**

Participant outcomes:

- gain knowledge of how to make a positive impression on others and persuade others to adopt your viewpoints
- become aware of techniques used to communicate ideas more powerfully during presentations
- develop the ability to recognize cultural nonverbal diversity and global customs
- begin to use nonverbal communication to become more assertive and less aggressive
- learn to read others and detect the “micro-expressions” of deception

➤ **Creating a Vision**

Participant outcomes:

- begin to apply lessons learned in the past to situations in the future
- recognize pathways or obstacles that enable visions for the future
- demonstrate the ability to conceptualize ideas
- understand the importance of evaluating input and perspectives from all sources to create visions
- identify the benefits derived from experiencing success and failure
- learn how to make change happen through leadership

➤ **Character-Driven Success**

Participant outcomes:

- examine historical heroes who have exemplified character-driven principles
- learn how to positively change their working environment by creating a culture of character
- be able to distinguish between character-driven success and achievement-based success
- gain the knowledge to define, illustrate, and describe the benefits of strong character
- identify the impact and real-life consequences of words, actions, and attitudes
