Did you know?

According to the Texas Department of Family and Protective Services, new rules on environmental health practices for child care providers went into effect on September 1, 2010.

This conference will address the requirements for ensuring a healthy environment and managing pest and pesticides at child care facilities.

Speaker:

Janet Hurley, Extension Program
Specialist—School IPM
Texas AgriLife Extension Service

Conference coordinator:

Wenhsing Cheng, PhD, CFLE
Texas AgriLife Extension Service
