an educational workshop series

SATURDAY, FEBRUARY 28TH FROM 9 AM TO 1 P.M.

District AgriLife Research and Extension Center, Building C
(17360 Coit Rd, Dallas, Texas 75252)

Do you have a passion for growing your own food, but do not know where to start? Do you want to know what grows well in urban environments? Do you have an interest in preserving food? Are you interested in using Earth Kind edible plants in your landscape? Have you thought about getting backyard poultry? Do you want to learn easy healthy meals to prepare for dinner?

FREE!

Come learn practical research based information from **Texas A&M AgriLife Extension** experts! Fun environment for the whole family!

Go to <http://dallas-tx.tamu.edu> for a summary of workshops.

Individuals with disabilities who require an auxiliary aid, service or accommodations to participate in this event are encouraged to contact the Dallas County AgriLife Extension Office at (214)-904-3050 for assistance, at least two weeks prior to the marketed education program. Extension programs of the Texas A&M AgriLife Extension Service are open to all people without regard to race, color, religion, sex, national origin, age, disability, genetic information, or veteran status. The Texas A&M University System, the U.S. Department of Agriculture, and the County Commissioners Courts of Texas cooperating.
