

You are cordially invited to join us on
Saturday, November 19, 2016,
For the dedication and unveiling of a
Texas State Historical Marker honoring

Dr. Edward Fred Knipling

The former Calhoun County resident who saved millions of lives, both human and animal, through the science of entomology.

This historical event will be held at **10:00 a.m.** at the
Calhoun County Extension Bldg.
186 Henry Barber Way (former C.R. 101), Port Lavaca.
