MASTER
WELLNESS
VOLUNTEER PROGRAM

Give back to your community and learn how to improve your own health! Volunteers receive 40 hours of education related to nutrition, food safety, wellness, public speaking and much more. In return, volunteers are asked to give 40 hours of volunteer to service to Texas A&M AgriLife Extension Service.

Join us for our spring training in Denton, Dallas and Tarrant Counties.

Registration fee of \$75 covers all materials.

TEXAS A&M
