As the summer quickly approaches, the search for great summer jobs is really heating up. Look no further as [Camp Cobbossee for Boys](#) and [Camp Kippewa for Girls](#) are looking for the last few members of our respective summer staffs. Cobbossee and Kippewa are at the forefront of the camping industry and are known for our **state of the art facilities, well rounded program and highly skilled staff.**

We found your contact information on the Texas A & M website and would like to share a unique opportunity with you in hopes of finding qualified applicants to join our team this summer in Maine. Please feel free to share this with others.

We are looking for highly motivated individuals who enjoy working with children and are looking to **develop both personally and professionally.**

Highlights of position include:

- **Salary, room & board and travel expenses**
- **8 weeks** in beautiful **Maine**, split into 2 individual sessions
- **Internships & school credits** available
- **GREAT** compliment to any **resume!!!**

Positions are available for college aged students, recent college graduates as well as experienced professionals.

Please refer to our websites for more information. You can find us at www.campcobbossee.com and www.kippewa.com.

Thank you for your time and consideration.

Best Wishes,
