

**Internships in Child Development Centers & School-Age Care Programs
U.S. Military Bases in Germany, Italy, Belgium, the Netherlands, and the U.S. (Key West Florida and Hawaii)**

We would like to extend an opportunity for you to teach overseas. Internships are available working with Child Development Centers and School-Age Care Programs on U.S. Military Bases in Germany, Italy, Belgium, the Netherlands, and the U.S. (Key West Florida and Hawaii). The program provides services primarily to infants, toddlers, and preschool; some staff may serve in school-age care. The internships will begin August 2014 or January 2015, with a living stipend of approximately \$2900 for 17 weeks (prorated for shorter programs). Travel and housing are paid. Students earn 12 credits (undergraduate or graduate) from the University of Northern Iowa.

If you have graduated or are a junior or senior and available, this is an opportunity for you to earn credit, gain cultural experiences, network for jobs, and build your resume. You will engage in worthwhile work, providing needed support in military Child Development Centers and School-Age programs. This internship provides related experience working with children and youth, while you network with one of the world's largest employers, the Department of Defense.

Benefits of participation include:

- * 12 hours of graduate or undergraduate *credit* from the University of Northern Iowa at a reduced rate.
- * An opportunity to make a *worthwhile contribution*, supporting military families.
- * Travel expenses and housing are paid in addition to a daily living stipend of *\$2900* for 17 weeks (prorated for shorter programs).
- * Professional *training* in the child development and/or school-age care fields.
- * Network with the *world's largest employer* - the Department of Defense.
- * Engage in *cultural experiences*.
- * Build your resume!
