

## **Profitability Workshop next week in Littlefield. March 9<sup>th</sup>**

Are you trying to decide how much cotton to plant and how much corn to plant? Are you trying to decide if you should go ahead and price some of your expected 2017 crop? Do you have a good estimate of your Breakeven price? Come to Profitability Workshop on March 9th in Littlefield. Bring your laptop if you want to. Call Graham Henley at 806-485-9134. Or Jackie Smith at 806-746-6101.

**The workshop will be held at the Ag Center in Littlefield. The Ag Center is located on the East side of Highway 385 (Hall Ave) about ½ mile north of the overpass where 84 and 385 intersect.**
