Cooperating Institutions:

**Name:** Eric Chavez  
**Campus Address:** NMSU  
**City/State/Zip Code:** Las Cruces, NM 88003  
**Telephone:** 575-317-9131  
**E-mail:** ericchavez13@hotmail.com  
**School:** New Mexico State University  
**Major:** Animal Science  
**Expected Graduation date:** December 2010  
**Career Goals:** Masters in dairy nutrition. I hope to one day own and operate my own dairy, where I can properly operate and manage issues such as no mastitis, genetic selection, biosecurity, cell counts within the milk, teat dip, calf program

**Name:** Philip deVries  
**Campus Address:** NA  
**City/State/Zip Code:** 16942 Calhoun Rd, Mount Vernon ,WA 98273  
**Telephone:** 380-333-0858  
**E-mail:** Philip\_deries@wsu.edu  
**School:** Washington State University  
**Major:** Animal Science  
**Expected Graduation date:** 2011  
**Career Goals:** I would like to work actively in the dairy industry, preferably with direct cow work. I don't really have to many aspirations expect to really enjoy the work. For now I would like to gain experience and learn as much as I can about cows and the people that work with them.

**Name:** Raymond Devries  
**Campus Address:** 955 La Paz Road  
**City/State/Zip Code:** Santa Barbara, California 93108  
**Telephone:** 909-747-7302  
**E-mail:** rdevries@westmont.edu  
**School:** Westmont College  
**Major:** Economics and Business  
**Expected Graduation date:** May 2010  
**Career Goals:** My goal is to work in the dairy industry, whether that may be working at a dairy farm or at a dairy-related business. Eventually I would like to own and operate my own dairy.

**Name:** Meghann Docheff

**Campus Address:** Colorado State University

**City/State/Zip Code:** Ft. Collins, CO 80524

**Telephone:** 970-491-5390

**E-mail:** MJDWholesome@aol.com

**School:** Colorado State University

**Major:** Animal Science and Ag. Business

**Expected Graduation date:** December 2010

**Career Goals:** I have been active in the dairy industry my whole life and enjoy the industry. I feel that dairy industry is the leader in making new innovative products. So I would like the own and operate my own cheese plant and ice cream creamery. These two aspects in the dairy industry are both industries that I feel I can make new and diverse products. My parents own and operate their own dairy as well as a processing plant in which they process fluid milk and Yoforia, a drinkable yogurt. So I would like to add to the family business and make new products that can be marketed through their wholesale and home delive

**Name:** Neal Frerichs

**Campus Address:** 117 Holleman Dr. W Apt. 10104

**City/State/Zip Code:** College Station, TX 77840

**Telephone:** 974-966-3960

**E-mail:** frix\_2005@hotmail.com

**School:** Texas A&M University

**Major:** Dairy Science/Wildlife and Fisheries Science

**Expected Graduation date:** December 2010

**Career Goals:** To work a few years in the dairy industries before returning home to work on family dairy. I am currently working on finishing my dairy science degree at Texas A&M and will continue to work on my second major in Wildlife and Fisheries Science.

**Name:** Crystal Fuhrmann

**Campus Address:** 880 N. Lillian Apt. 104

**City/State/Zip Code:** Stephenville, TX 76401

**Telephone:** 940-634-9906

**E-mail:** crystalmae87@hotmail.com

**School:** Tarleton State University

**Major:** Animal Production BS

**Expected Graduation date:** May 2010

**Career Goals:** My ultimate goal is to help my family run and manage our dairy farm.

**Name:** Chaiyoot Duang Dueau  
**Campus Address:** 99 M0016, Takhob Pauthongonai District  
**City/State/Zip Code:** Naknom Ratchasina 30150  
**Telephone:** 087-8585038  
**E-mail:** yootdd@hotmail.com  
**School:** Khon Kean University  
**Major:** Breeding Genetics/Animal Science  
**Expected Graduation date:**  
**Career Goals:** Reproductive and breeding genetics.

**Name:** Luke Gallegos  
**Campus Address:** 900 Kalnchoe CT A  
**City/State/Zip Code:** College Station, TX 77840  
**Telephone:** 979-450-4304  
**E-mail:** lukeg\_24@tamu.edu  
**School:** Texas A&M University  
**Major:** Dairy Science, Minor: Business Administration  
**Expected Graduation date:** December 2009  
**Career Goals:** I am looking for a career in the dairy industry or related industry where I can make an impact. I would also be interested in using my business minor in my future career.

**Name:** Richard Grafe  
**Campus Address:** 1900 Dartmouth Apt C2

**Telephone:** 210-422-4959  
**E-mail:** grat10@neo.tamu.edu  
**School:** Texas A&M University  
**Major:** Animal Science  
**Expected Graduation date:** May 2009  
**Career Goals:** Pursue a masters of science, followed by getting accepted into vet school to become a licensed large animal veterinarian.

**Name:** Kevin Hooley  
**Campus Address:** NA  
**City/State/Zip Code:** Pallman, WA 99163  
**Telephone:** 406-264-8984  
**E-mail:** hooleykevin@gmail.com  
**School:** WSU  
**Major:** Animal Science  
**Expected Graduation date:** Spring 2010  
**Career Goals:** Working with dairy cows, whether its with AI, hoof trimming, or getting a position as a herdsman.

**Name:** Suphawat Joomjantha  
**Campus Address:** CPF Company  
**City/State/Zip Code:**  
**Telephone:** 66-81-9667529  
**E-mail:** jujoe28@hotmail.com  
**School:**  
**Major:** Animal Science  
**Expected Graduation date:**

**Name:** Kathryn Kylo  
**Campus Address:** Celesi N Campbell Ave #205  
**City/State/Zip Code:** Tucson, AZ 85718  
**Telephone:** 928-301-3726  
**E-mail:** kylo@email.arizona.edu  
**School:** University of Arizona  
**Major:** Animal Science  
**Expected Graduation date:** December 2009  
**Career Goals:** I have recently been certified in AI, heat detection, and general reproductive management by Collegiate Cattle Growers of the University of Arizona. I am currently considering pursuing a Masters in Reproductive Physiology or attending Vet School. I would like to pursue a career in dairy reproductive management, either with an AI company or managing the breeding program on a dairy.

**Name:** Shay McDonald  
**Campus Address:**  
**City/State/Zip Code:**  
**Telephone:** 530-867-3371  
**E-mail:** shayshayffa@yahoo.com  
**School:** Texas A&M University  
**Major:** Dairy Science  
**Expected Graduation date:** Summer 2011  
**Career Goals:** Breeding and reproduction dairy cows, specifically artificial insemination. I am also interested in genetics of dairy cattle and embryo transfer.

**Name:** Tahnee McVey  
**Campus Address:** 850 E. Wetmore Apt # 1221  
**City/State/Zip Code:** Tucson, AZ 85719  
**Telephone:** 928-916-2267  
**E-mail:** tmmcvey@email.az.edu  
**School:** University of Arizona  
**Major:** Animal Science  
**Expected Graduation date:** December 2010  
**Career Goals:** Throughout the course of college, I have developed a strong interest in the animal health, reproduction, heat stress, and other management issues facing the dairy industry. Ultimately I would like to pursue a career in dairy reproduction or work as a sales representative within the allied industry.

**Name:** Chad Mullins  
**Campus Address:** 3000 Tuttle Creek Blvd Lot 334  
**City/State/Zip Code:** Manhattan, KS 66502  
**Telephone:** 402-245-8719  
**E-mail:** cmullins@ksu.edu  
**School:** Kansas State University  
**Major:** PhD. Dairy Nutrition  
**Expected Graduation date:** May 2012  
**Career Goals:** After completing my doctorate in dairy nutrition, I would like to work as a nutrition consultant for large scale dairy operations, and hopefully one day work my way into a management position on a large dairy.

**Name:** Xavier Ortiz  
**Campus Address:** 363 N 14<sup>th</sup> St. Apt 12  
**City/State/Zip Code:** Manhattan, KS 66502  
**Telephone:** 785-313-1236  
**E-mail:** xortiz@ksu.edu  
**School:** KSU  
**Major:** Master Animal Science/ Heat Stress Behavior  
**Expected Graduation date:** December 2009  
**Career Goals:** Get a job in a farm as soon as I finish my master degree. I speak Spanish and I know how valuable it is managing a dairy farm. I have more interest in the nutrition area but I have gained more experience in other areas like heat stress and welfare.

**Name:** Jared N. Pope  
**Campus Address:** #6 Berrendo Meadows Cir.  
**City/State/Zip Code:** Roswell, NM 88201  
**Telephone:** 575-312-4531  
**E-mail:** pope@nmsu.edu  
**School:** New Mexico State University  
**Major:** Ag. Business  
**Expected Graduation date:** May 2009  
**Career Goals:** Ag-lend, Herd Management

**Name:** Francisco A. Rivera  
**Campus Address:** 3503 Kessler Place  
**City/State/Zip Code:** Roswell, NM 88201  
**Telephone:** 575-635-5679  
**E-mail:** Crisco@Nmsu.edu  
**School:** New Mexico State University  
**Major:** Masters Animal Science  
**Expected Graduation date:** 2010  
**Career Goals:** Pursue a Ph.D in Ruminant Nutrition focusing on the dairy industry. Then pursue a career as either a consulting nutritionist or dairy extension specialist.

**Name:** Sunthorn Rungruang  
**Campus Address:** Department of Animal Science 236 Shantz Building  
**City/State/Zip Code:** P.O. Box 210038 Tucson, Az 85721-0038  
**Telephone:** 520-621-7622  
**E-mail:** oohvet58@yahoo.com  
**School:** University of Arizona  
**Major:** Animal Science  
**Expected Graduation date:**  
**Career Goals:** Nutritionist

**Name:** Manuel A. Salcedo  
**Campus Address:**  
**City/State/Zip Code:** Plainview, TX 79072  
**Telephone:** 806-895-4492  
**E-mail:** salcedo\_ms@hotmail.com  
**School:** SPC  
**Major:** Business Management  
**Expected Graduation date:** 2010

**Career Goals:** I grew up on a dairy farm that milks 3,200 cows. I was involved with the expansion from 2,200 to 3,200 cows. I have been working for 8 years and managing the dairy for the past 3 years. I learned all the typical farm traits at a young age such as: palpating, artificial insemination, hoof trimming, fresh cow protocols, and hospital treatments. I was in charge of the reproduction and herd management. My goals are to eventually own my own business and produce good quality milk.

**Name:** Amber Terhaar  
**Campus Address:**  
**City/State/Zip Code:** Moscow Idaho  
**Telephone:** 509-595-6066  
**E-mail:** amberterhaar@vandals.vidaho.edu  
**School:** University of Idaho  
**Major:** Animal Science- Dairy Option  
**Expected Graduation date:** December 2009  
**Career Goals:** I would like to go into the dairy industry either in sales or marketing or advertising. Anything to promote dairy and help dairy producers.

**Name:** Elizabeth Walker  
**Campus Address:**  
**City/State/Zip Code:**  
**Telephone:** 281-414-3635  
**E-mail:** ewalker20@tamu.edu  
**School:** Texas A&M  
**Major:** DairyScience  
**Expected Graduation date:** December 2009  
**Career Goals:** I will begin my Masters at LSU in Food Science next spring. I would like to work for the USDA in some type of food control and regulation.
