Cooperating Institutions:

Name: Robert Bache
Campus Address: 850 E Wetmore Rd Apt 2036
City/State/Zip Code: Tucson, AZ 85719
Telephone: 719-850-2570
E-mail: rbache@email.arizona.edu
School: University of Arizona
Major: Agribusiness Management
Expected Graduation date: Spring 2011
Career Goals: After graduating from the University of Arizona, I will be looking for management positions within either Fresh Produce or animal industry. I come from a long line of entrepreneurs and plan on starting a produce or animal operation after I have gained more experience within the industry I choose. I have gained an interest in the Dairy Industry as it combines my love of production management and cattle and would like to further explore opportunities within this industry.

Name: Eric J. Banuelos
Campus Address: 1177 E Fourth Street
City/State/Zip Code: Tucson, AZ 85721
Telephone: 928-300-0596
E-mail: ejb3@email.arizona.edu
School: University of Arizona
Major: Animal and Veterinary Science
Expected Graduation date: May 2011
Career Goals: My future ambition is to practice food animal medicine in a private practice. The production of safe, wholesome, and nutritious products is my ultimate goal. As a whole the general public has a negative view of production agriculture and it is my personal goal to educate and change the views of persons who have been fed the negative views of our industry.

Name: Kathleen Behm
Campus Address: 455 E Salopek Blvd
City/State/Zip Code: Las Cruces, NM 88001
Telephone: 505-690-4164
E-mail: katebehm@nmsu.edu
School: New Mexico State University
Major: Animal Science
Expected Graduation date: May 2011
Career Goals: My career goal is to become a large animal veterinarian within the industry. I plan on attending vet school at Kansas State or Washington State after my graduation from New Mexico State University with a degree in Animal Science.

Name: Carl Betts
Campus Address: 1835 North Park Lane
City/State/Zip Code: Eagle, ID 83616
Telephone: 208-761-7324
E-mail: bett0292@vandals.uidaho.edu
School: University of Idaho
Major: Animal Science
Expected Graduation date: May 2011
Career Goals:
My career goals are working on a dairy as a herdsman or manager for several years and then starting my own dairy and managing it.

Name: Kristin Catron
Permanent Address: 2400 Central Pk Ln #1704
City/State/Zip Code: College Station, TX 77840
Telephone: 682-438-8456
E-mail: k_catron@tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation date: May 2011

Career Goals: I plan on obtaining my Bachelor's in Animal Science and continue on to graduate school with the intention of entering the work force with a masters in my field. I want to gain as much knowledge as possible so as to be a valuable asset to any position, as well as gain a competitive edge in the work force. As far as career goals are concerned, I am excited at all the different opportunities that have been afforded me with my degree and the experiences I will have gained along the way, and I look forward to exploring any of the many possibilities available.

Name: Erin Crumbley
Campus Address: 2250 Missouri Ave Apt B6
City/State/Zip Code: Las Cruces, NM 88001
Telephone: 575-313-3400
E-mail: spilonki@nmsu.edu
School: New Mexico State University
Major: Animal Science
Expected Graduation date: May 2012
Career Goals:

After I receive my bachelor's degree in Animal Science, I would like to continue my education at Kansas State University's College of Veterinary Medicine. After graduation, I would like to return to New Mexico to be a small/large animal vet.

Name: Jeff Cunningham
Campus Address: 1602 Austin Ave
City/State/Zip Code: College Station, TX 77840
Telephone: 903-267-2766
E-mail: txaggie12@neo.tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation date: 2012

Career Goals: I hope to make an impact somewhere in animal agriculture. I am very open minded to many aspects of the industry. I would like to provide a product or a service to producers. One day I would I would like to follow the footsteps of my Dad and start my own business, possibly animal production related.

Name: Jasper DeVos
Campus Address: 1199 W US Hwy 70
City/State/Zip Code: Plainview, TX 79072
Telephone: 806-774-1585
E-mail: devos.jasper@gmail.com
School: Texas Tech University
Major: Agriculture & Applied Economics
Expected Graduation date: May 2009
Career Goals:

Own and operate a cutting edge, large scale dairy farm in West Texas.

Name: Erin Fosler
Campus Address: 370 Lighty Student Services Bldg
City/State/Zip Code: Pullman, WA 99164-1067
Telephone: 425-577-8888
E-mail: erinfosler@gmail.com
School: Washington State University
Major: Animal Science
Expected Graduation date: Dec 2011
Career Goals: Large Animal Veterinarian or Animal Nutritionist

Name: Mateus C. Freua
Campus Address: 801 Spring Loop Apt 702
City/State/Zip Code: College Station, TX 77843
Telephone: 979-229-7535
E-mail: mateusfreua@neo.tamu.edu
School: Texas A&M
Major: Animal Science
Expected Graduation date: May 2012
Career Goals: Dairy consultant, graduate school, professor.

Name: Richard Grafe
Campus Address: 1900 Dartmouth Apt. C2
City/State/Zip Code: College Station, Tx 77840
Telephone: (210)422-4959
E-mail: graf10@neo.tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation date: August 2010
Career Goals: Complete my masters program and achieve a DVM at the Texas A&M College of Veterinary Medicine.

Name: Katilyn Hanson
Campus Address: 1908 Penny Place
City/State/Zip Code: Las Cruces, NM 88001
Telephone: 575-640-2620
E-mail: katilyn@nmsu.edu
School: New Mexico State University
Major: Animal Science- Pre-vet
Expected Graduation date: May 2011
Career Goals:

I am a pre-veterinary student at NMSU and plan to attend vet school in the fall of 2011. I am most interested in large animal and food animal veterinary medicine. A dairy veterinarian is a career that I am very interested in, which my main reason for wanting to learn how the dairy industry operates.

Name: Hillary Henderson
Campus Address: 13422 CR 761
City/State/Zip Code: Alvin, TX 77511
Telephone: 832-457-6185
E-mail: hend4790@tamu.edu
School: Texas A&M University
Major: Biomedical Sciences
Expected Graduation date: May 2013

Career Goals: Pursue a degree in Animal Science and apply to vet school at TAMU. One day I hope to be a large animal veterinarian and work with dairy cattle specifically. My ultimate goal is to find a career I will enjoy.

Name: Eric Hibbard
Campus Address: 1467 W. San Ricardo Blvd.
City/State/Zip Code: Tucson, AZ 85713
Telephone: (602)989-3555
E-mail: hibbard@email.arizona.edu
School: University of Arizona
Major: Agribusiness Econ and Business Management
Expected Graduation date:

Career Goals: Currently pursuing a masters degree under Dr. Bob Collier at the university of Arizona. Plan on pursuing a doctrine in Dairy Extension and becoming an Extension Agent.

Name: Nicole Hoff
Campus Address: 3628 Glenna St.
City/State/Zip Code: College Station, TX 77840
Telephone: 940-733-8960
E-mail: nickih2509@neo.tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation date: May 2013

Career Goals: Growing up on a dairy and working with cattle all my life has influenced me to want to work with animals in my future career. I have always want to be a vet. Being on a dairy has also influenced my desire to continue working and staying involved with the industry. Working with the Holstein Association, genetics, and reproduction are other areas I have looked into pursuing.

Name: Andrew Kurth
Campus Address: 1810 E Blacklidge Dr #309
City/State/Zip Code: Tucson, AZ 85719
Telephone: 480-262-6875
E-mail: kurth@email.arizona.edu
School: University of Arizona
Major: Animal Science
Expected Graduation date: May 2012

Career Goals: All I know for sure is I want to work around cows. In a perfect world I will be able to run my own small dairy and cheese plant, if not then working with cows in someone else's dairy would still send me home happy every day.

Name: Sarah Lopez
Campus Address: 3245 E University Apt 1404
City/State/Zip Code: Las Cruces, NM 88011
Telephone: 505-934-3305
E-mail: sjlopez@nmsu.edu
School: New Mexico State University
Major: Animal Science/Pre Vet
Expected Graduation date: May 2011
Career Goals: To graduate from NMSU with a BA in Animal Science and continue my education at Kansas State University Vet School. After becoming a licensed vet I plan on coming back to New Mexico and open a practice for large animal medicine concentrating on the cattle and equine industry.

Name: Michael M Marricle
Campus Address: PO Box 30003
City/State/Zip Code: Las Cruces, NM 88003
Telephone: 575-650-6503
E-mail: marricle@nmsu.edu
School: New Mexico State University
Major: Animal Science
Expected Graduation date: May 2011
Career Goals:

I hope to graduate from NMSU in December 2010 with a BA in Animal Science. After graduating I plan to attend a graduate program at NMSU, but I have not chosen a specific program yet. I hope to find a career in the agricultural industry one way or another and I'm very open to all opportunities and programs that are available. Through the dairy program at the consortium I hope to gain a better understanding of the dairy industry to help me decide which career path I would like to pursue.

Name: Megen Mason
Campus Address: PO Box 3110
City/State/Zip Code: Las Cruces, NM 88003
Telephone: 575-626-3052
E-mail: mmason@nmsu.edu
School: New Mexico State University
Major: Animal Science Masters
Expected Graduation date: May 2011
Career Goals: Veterinarian, small and large animal. I plan to open my own emergency vet clinic in my hometown, Roswell, NM.

Name: Shay McDonald
Campus Address: 601 Luther St Apt 214
City/State/Zip Code: College Station, TX 77845
Telephone: 530-867-3371
E-mail: shaymcdonald1989@neo.tamu.edu
School: Texas A&M University
Major: Dairy Science, Science option
Expected Graduation date: May 2011
Career Goals:

I would like to go into veterinarian medicine working with large farm animals and possibly specialize in dairy cattle.

Name: Hayley McWilliams
Campus Address: 2330 E Nevada #1002
City/State/Zip Code: Las Cruces, NM 88001
Telephone: 505-507-7251
E-mail: heyhay13@yahoo.com
School: CSU Vet School
Major: Animal Science
Expected Graduation date: May 2014

Career Goals: I plan on attending Colorado State University's veterinary school in the fall of 2010 where I hope to specialize in food animals, especially cows.

Name: Charles J Middleton
Campus Address: 20804 SW 95th Ave
City/State/Zip Code: Archer, FL 32618
Telephone: 407-432-8536
E-mail: cjmiddletonranch@embarqmail.com
School: University of Florida
Major: Animal Science-Dairy specialization
Expected Graduation date: Spring 2011

Career Goals: My career goals are to one day own and operate my own dairy. I graduate in the spring of 2011 with a Bachelors in Animal/Dairy Science, and would like to pursue a Masters in Dairy Nutrition. If I take this route, I would like to work as a nutritionist and dairy management consultant, either privately or within an established firm. If I do not attain a masters then I would like to pursue a management position on a large commercial dairy. I would like to one day have a decent sized milking herd of around 500 head and invest in such ventures as an on farm bottling facility that delivers fresh dairy products to local homes and businesses, as well as investing in an anaerobic digester to benefit the local community. I believe that with hard work, time, and faith these dreams can become a reality.

Name: Carolyn Parsons
Campus Address: 2602 Pullman Albion Rd #B4
City/State/Zip Code: Pullman, WA 99163
Telephone: 509-336-9635
E-mail: bongoangola@hotmail.com
School: Washington State University
Major: Animal Science
Expected Graduation date: May 2010
Career Goals:

My goals are to work in the dairy industry, either in animal health or dairy production and management.

Name: Merel Rodenburg
Campus Address: 1177 E 4th
City/State/Zip Code: Tucson, AZ 85721
Telephone: 520-906-8292
E-mail: merel10@email.arizona.edu
School: University of Arizona
Major: Microbiology/Animal Science
Expected Graduation date: May 2012

Career Goals: My career goal is to become a large animal veterinarian. I hope to have a private rural practice in the under served food animal industry. My focus is to give sound veterinary advice and services that not only focus on individual animal well being, but also herd health, production efficiency, and food safety.

Name: Sunthorn Rungruang
Campus Address: 4101 ARC N. Cambell Ave.
City/State/Zip Code: Tucson AZ 85719
Telephone: (520)358-8572
E-mail: sunthorn@email.arizona.edu
School: University of Arizona
Major: Animal Science
Expected Graduation date: May 2012
Career Goals: Nutritionist

Name: Victoria Sanderlin
Permanent Address: 4024 N Fremont Ave
City/State/Zip Code: Tucson, AZ 85719
Telephone: 520-204-6325
E-mail: vickysan@email.arizona.edu
School: University of Arizona
Major: Animal Science
Expected Graduation date: May 2011
Career Goals:

Name: Ryan Schaap
Campus Address: 2412 5th Ave
City/State/Zip Code: Canyon, TX 79015
Telephone: (806)316-9099
E-mail: ryanschaap_4422@hotmail.com
School: West Texas A&M
Major: Ag Media and Communication
Expected Graduation date: 2011-2012
Career Goals: I plan to finish college soon then to either work for Dairy Max or DFA in the communications department or own a dairy. Thinking also of getting my organic license.

Name: Brian Schoch
Campus Address: 2156 Country Club Rd
City/State/Zip Code: Pullman, WA 99163
Telephone: 206-434-9077
E-mail: briangs4@wsu.edu
School: Washington State University
Major: Animal Science-Production Management
Expected Graduation date: May 2011
Career Goals: I would like to own and operate a 100 head organic dairy farm of mixed registered Holstein, Brown Swiss, and Jerseys in Vermont. I plan on retaining all bull calves and raising them as pastured fed beef. I hope to develop a crossbreed superior in both the dairy and beef industry. After I have established myself as a profitable dairy farmer I would like to start an organic sire selection company in the US selling organic semen to producers across the North East US.

Name: Jeananne A Singletary
Campus Address: 426 Kearney Street
City/State/Zip Code: Manhattan, KS 66506
Telephone: 850-294-5417
E-mail: jsinglet@vet.ksu.edu
School: Kansas State University
Major: Veterinary Medicine
Expected Graduation date: May 2012
Career Goals:

To become a food animal or mixed practice veterinarian in a rural area with a focus on dairy medicine.

Name: Ryan Tollefsrud
Campus Address: 531 Sunset Ave Apt 3
City/State/Zip Code: Manhattan, KS 66502
Telephone: 605-695-1665
E-mail: rtollefs@vet.k-state.edu
School: Kansas State University
Major: Dairy Production/Veterinary Medicine
Expected Graduation date: May 2012
Career Goals:

Become a large animal veterinarian, working alongside dairy producers to improve productivity in rural America.

Name: Samantha Trumper
Campus Address: 122 North Campus Housing
City/State/Zip Code: Las Cruces, NM 88003
Telephone: 505-463-8458
E-mail: sammy00@nmsu.edu
School: New Mexico State University
Major: Animal Science
Expected Graduation date: May 2012
Career Goals:

I plan on becoming a veterinarian and am considering specializing in large animal care.

Name: Taylor Tully
Campus Address: 1101 Luther St West Apt 533
City/State/Zip Code: College Station, TX 77840
Telephone: 609-203-0728
E-mail: tat@tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation date: December 2012

Career Goals: After graduation my goal is to work in dairy production and management and eventually operate my own dairy. I am also interested in teaching dairy practices to the future generations of farmers.

Name: Dorothy Tuttle
Campus Address: 1600 Campus Ct
City/State/Zip Code: Abilene, TX 79699
Telephone: 818-517-4205
E-mail: dot07a@acu.edu
School: Abilene Christian University
Major: Animal Science
Expected Graduation date: May 2011
Career Goals: Agriculture development in 3rd world countries.

Name: David Volleman
Campus Address: 425 CR 252
City/State/Zip Code: Gustine, TX 76455
Telephone: 325-330-0168
E-mail: dutchman@tamu.edu
School: Texas A&M University
Major: Agribusiness
Expected Graduation date: May 2012
Career Goals: I would like to work in the dairy industry after I graduate. Then sometime in the future I would like to own and manage my own dairy.

Name: Erica Wasson
Campus Address: 600 Park St
City/State/Zip Code: Hays, KS 67601
Telephone: 785-893-2378
E-mail: enwasson@scatcat.fhsu.edu
School: Fort Hayes State University
Major: Animal Science
Expected Graduation date: May 2010
Career Goals: To work in the dairy industry. I really like dairy calf care management. I also like reproduction, however all aspects fascinate me.

Name: Dakota Woodard
Permanent Address: 1178 Turkey Knob
City/State/Zip Code: Las Cruces, NM 88012
Telephone: 575-313-0353
E-mail: woodardd@nmsu.edu
School: New Mexico State University
Major: Animal Science
Expected Graduation date: December 2010
Career Goals: I plan on attending Kansas State University to pursue an education in large animal veterinarian medicine and possibly get a masters in bovine science or public health. I also have a desire to take part in owning a dairy as another source of business. I intend on attempting to help the agriculture industry, specifically livestock, consummate areas of need as today's society is becoming more detrimental to the livelihoods of all who are involved in the agriculture economy.
