## Byman Ballard

College Station, Texas

byman@tamu.edu  
(325) 330-1664

**University:** Texas A&M University      **Major:** Animal Science

**Career Goals:** I will use this experience here to pursue a future career in agriculture.

## Cody Beus

603 W Palouse River Dr. Trl #50  
Moscow, ID 83843

beus9513@vandals.uidaho.edu  
(208) 851-8544

**University:** University of Idaho      **Major:** Animal Science, Dairy

**Career Goals:** I plan to use this experience and knowledge gained to help me pursue a career in the dairy industry as a herd manager and eventually obtain dairy ownership. I also hope that I will be able to create value added products and help stabilize the dairy industry in my home state of Alaska.

## Carina Cedillo

906 Kalanchoe Ct. Duplex A  
College Station, TX 77840

carina\_c2009@hotmail.com  
(956) 251-4420

**University:** Texas A&M University      **Major:** Animal Science

**Career Goals:** I plan to attend vet school and graduate in order to open up my own practice. I would like to work with large animals and I am interested in calf operations. It is something I see myself doing but it would be after I get my practice going and save up some money. I love veterinary medicine and genetics to there are still a lot of options I am considering.

## Nicole Collins

850 E. Wetmore Rd.  
Tucson, AZ 85719

ndcollins@email.arizona.edu  
(480) 299-0614

**University:** University of Arizona      **Major:** Veterinary Science

**Career Goals:** After graduation my goal is to attend veterinary school and become a large animal veterinarian.

## Stacy Cox

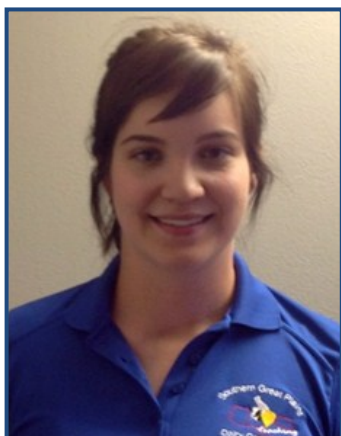

850 E. Wetmore Rd  
Tucson, AZ 85719

stacyc1@email.arizona.edu  
(480) 254-7356

**University:** University of Arizona

**Major:** Animal Science

**Career Goals:** Go to graduate school and pursue a master's degree in either reproduction or nutrition. Then work for a breeding facility and become a nutritionist for a farm.

## Catie Cramer

39240 Jersey Rd.  
Pueblo, CO 81006

catie.cramer@gmail.com  
(719) 568-1539

**University:** Colorado State University

**Major:** Animal Science

**Career Goals:** I will begin graduate school at the University of Wisconsin - Madison in September 2012 to pursue a master's degree that will allow me to gain further knowledge in epidemiology and animal health and well-being. Ultimately, I would like a career that allows me to combine my interests so that I can help dairy producers as well as educate the public.

## Lindsay Daly

1 Castle Point on Hudson  
Hoboken, NJ 07030

Lindsay.elizabeth.daly@gmail.com  
(631) 512-1662

**University:** Stevens Institute of Technology

**Major:** Bachelor of Biomedical Engineering, Master of Engineering Management

**Career Goals:** Become a veterinarian.

## Ike Damstra

925 CR 330  
Dublin, TX 76446

ike\_damstra@tamu.edu  
(254) 977-4188

**University:** Texas A&M University

**Major:** Animal Science

**Career Goals:** Obtain a master's degree in nutrition and go into the dairy nutrition field.

## Brittany Dean

1717 Luara Ln  
College Station, TX 77840

brittanyd2012@neo.tamu.edu  
(979) 525-1426

**University:** Texas A&M University

**Major:** Animal Science, Business Minor

**Career Goals:** Working in the cattle industry.

## Darcie De Boer

216 Gulch Lane  
Twin Falls, Idaho 83301

debo1580@vandals.uidaho.edu  
(208) 358-2252

**University:** University of Idaho

**Major:** Animal Science

**Career Goals:** Working in the animal agriculture industry.

## Alison Durand

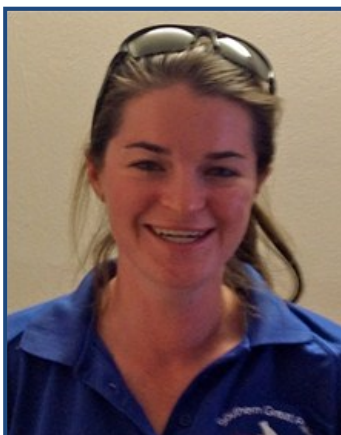

2200 Westwood Dr. Apt. G201  
Pullman, WA 99163

durand.alison@gmail.com  
(509) 952-7658

**University:** Washington State University

**Major:** Zoology, animal care option

**Career Goals:** Dairy veterinarian

## JoEllen Galligan

1 Castle Point on Hudson  
Hoboken, NJ 07030

jjgalligan32@hotmail.com  
(650) 576-4213

**University:** Stevens Institute of  
Technology

**Major:** Chemical Biology

**Career Goals:** I would like to become a vet. I want to be able to help animals live happier, healthier lives.

## Sarah Genzer

34 S. Kaysie  
Angleton, TX 77515

scgenzer@tamu.edu  
(979) 824-0436

**University:** Texas A&M University      **Major:** First year vet student

**Career Goals:** I plan on becoming a large animal veterinarian.

## Anna Gibson

Clark Hall Washington State University  
Pullman, WA 99163

anna.gibson@email.wsu.edu  
(253) 961-4631

**University:** Washington State University      **Major:** Agriculture Education

**Career Goals:** The dairy industry has given me so much and I would like more than anything to give back to the industry. My greatest goal would be to be placed in a position where I could educate people about the dairy industry. I feel that I would be just as happy teaching 4-H students or working at Fonterra as a public relation chair. The future has a lot to offer, and I plan on being open to the opportunities that cross my path.

## Anna Haines

4110 McLister Dr  
College Station, TX 77845

anna.haines@tamu.edu  
(210) 818-7981

**University:** Texas A&M University      **Major:** Animal Science

**Career Goals:** After graduation, I plan to work in the agriculture industry.

## Samantha Hays

949 S. Lillian St. Apt. 103  
Stephenville, TX 76401

Samantha.hays@go.tarleton.edu  
(512) 376-0091

**University:** Tarleton State University      **Major:** Animal Productions, Biology Minor

**Career Goals:** The dairy industry has shown me a new light within agriculture. After graduation, I plan on attending graduate school for reproduction and nutrition in beef and dairy cattle, while also studying and doing research on dairy farms and dairy cattle in European countries.

## Courtney Hemphill

1431 FM 504  
Lohn, TX 76852

court0013@yahoo.com  
(325) 456-6957

**University:** Texas A&M University      **Major:** Animal Science

**Career Goals:** I plan to attend graduate school and get my master's in either reproductive physiology or animal nutrition. I hope to have a career in the beef industry working at a feedlot or for a breeding company.

## Kimberly Hencken

The Polos 2330 SW Willilton Rd #418  
Gainesville, FL 32608

kimhencken@ufl.edu  
(561) 262-7618

**University:** University of Florida      **Major:** Animal Science

**Career Goals:** I am excited to further my education at UF's College of Veterinary Medicine this fall, and I look forward to applying Dairy Science into my future practice.

## Hilary Hibbard

1467 West San Ricardo Blvd  
Tucson, AZ 85713

hhibbard@email.arizona.edu  
(602) 989-2757

**University:** University of Arizona      **Major:** Animal Science Industry and Dairy Science

**Career Goals:** Upon graduation, my immediate goal is to work within the agriculture industry. After being raised in the dairy industry and gaining knowledge throughout the years of how the operation works, I have obtained a true appreciation for it. I would like to earn a position in the dairy industry.

## Jonathan Holub

2112 B Hidden Hollow Cr  
Bryan, TX 77807

holubjonathan@yahoo.com  
(713) 254-5039

**University:** Texas A&M University      **Major:** Animal Science

**Career Goals:** After graduation, I hope to restart my family's dairy.

## Claire Jackson

---

clairej@email.arizona.edu  
(520) 256-9017

**University:** University of Arizona      **Major:** Microbiology with Minors in Animal Science and Veterinary Science

**Career Goals:** My goal is to become a veterinarian in large stock, food animal and dairy.

## Sarah Manning

---

P.O. Box 1156  
Mansfield, TX

slem2009@tamu.edu  
(817) 477-7390

**University:** Texas A&M University      **Major:** Animal Science

**Career Goals:** I would like to work somewhere in the animal industry. I am very interested in working with animal feed and nutrition.

## Lauren Mayo

---

Gainesville, FL 32612

lmayo@ufl.edu  
(813) 220-2590

**University:** University of Florida      **Major:** Animal Science

**Career Goals:** Upon graduation from the University of Florida, I plan on attending graduate school focusing on Dairy Herd Management. Another option that I am pursuing is becoming a Dairy Extension Agent. A long term goal of mine is to one day own and operate my own dairy.

## Kenton Perkins

---

3722 Linden Ave.  
Megilla Park, NM 88047

ken10p@nmsu.edu  
(575) 403-8360

**University:** New Mexico State University      **Major:** Ag. Business/Ag. Econ.

**Career Goals:** Return to the family farm and continue to improve the farm through knowledge from my degrees.

## Marlon Pimienta

2545 S. Espina St.  
Las Cruces, NM 88001

dungas@nmsu.edu  
(520) 820-6628

**University:** New Mexico State University **Major:** Animal Science

**Career Goals:** Career in dairy/large animal healthcare.

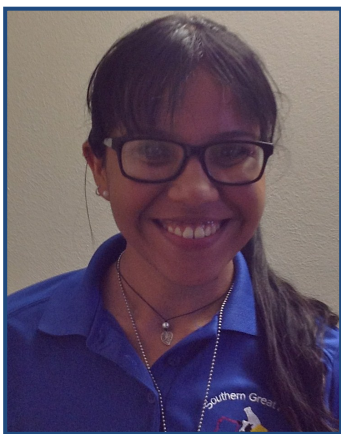

## Chanel Reinertsen

P.O. Box 794  
College Station, TX 77841

c.reinertsen@tamu.edu  
(832) 597-9635

**University:** Texas A&M University **Major:** Biomedical Science

**Career Goals:** My career goals are graduating from Texas A&M and later going to Veterinary School. After Vet School, I would like to work with other veterinarians and have a mixed practice of small and large animals.

## Yairanex Roman

University of Puerto Rico Mayaguez 00680  
Mayaguez, Puerto Rico 00680

yairanex.roman@upr.edu  
(787) 579-5023

**University:** University of Puerto Rico **Major:** Animal Science

**Career Goals:** I want to continue graduate studies and specialize in reproduction. Someday I will have my own farm and start my agriculture business in animal production. I will apply my education to find ways to increase the production efficiency and quality.

## Leah Schmitz

MSC 1 3001  
Las Cruces, NM 88001

schmitz1@nmsu.edu  
(505) 320-8605

**University:** New Mexico State University **Major:** Animal Science

**Career Goals:** Pursue a master's degree in animal nutrition, then possibly a Ph.D. in reproduction. I will then work within the beef cattle industry.

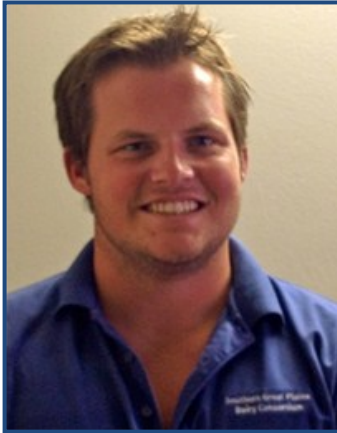

## Adam Shetley

2117 El Centro Ct.  
Columbia, MO 65203

dairyshet@gmail.com  
(636) 489-8266

**University:** University of Missouri      **Major:** Animal Science

**Career Goals:** Pasture based dairy production, forage and herd management.

## Adam teVelde

2471 TAMU  
College Station, TX 77845

teve45@neo.tamu.edu  
(559) 410-3456

**University:** Texas A&M University      **Major:** Agriculture Business

**Career Goals:** Dairy farmer and tree farming.

## Ty Tubbs

Lubbock, TX 79406

Ty.tubbs@ttu.edu  
(806) 205-1776

**University:** Texas Tech University      **Major:** Interdisciplinary Agriculture

**Career Goals:** I would like to work in the beef or dairy industry. I would also like to possibly work for a breeding company.

## Cody Vander Dussen

948 CR-0  
Clovis, NM 88101

cvander@nmsu.edu  
(575) 644-0408

**University:** New Mexico State University      **Major:** Agricultural Business and Economics

**Career Goals:** Manage family's dairy farm and work on owning my own.

## Steven Vander Dussen

---

(575) 520-0799

**University:** New Mexico State University **Major:** Marketing

**Career Goals:** I would like to get a degree in marketing to help support the dairy industry. I'm currently working on my father's dairy as a second manager.

## Edward Vasquez

---

College Station, TX 77840

rainillyriasage@neo.tamu.edu  
(281) 691-1090

**University:** Texas A&M University **Major:** Biomedical Science

**Career Goals:** Veterinary medicine

## David Volleman

---

600 CR 252  
Gustine, TX 76455

davidv@tamuagr.com  
(325) 330-0168

**University:** Texas A&M University **Major:** Agribusiness, Ag Economics

**Career Goals:** I plan on getting some experience working at dairies for a year or two before going to work on the family farm.

## Lucas Waybright

---

1865 Mason Dixon Rd  
Gettysburg, PA 17325

waybrightlw@gmail.com  
(717) 676-3780

**University:** Delaware Valley College **Major:** Agri-Business

**Career Goals:** To continue to work on my family's dairy farm in Pennsylvania.

## Bethany Weinheimer

6337 FM 1163  
Louise, TX 77455

bethanyw2010@tamu.edu  
(979) 541-6295

**University:** Texas A&M University      **Major:** Animal Science

**Career Goals:** After I graduate, I want to attend veterinary school and practice on both large and small animals. I would like to start off in a well-mentored practice and one day have my own clinic. I not only want to help save the lives of animals, but help revolutionize the animal industry through research and development.

## Brianna Williams

1060 W. 6th St. MSC 1239 ID  
Middleton, ID 83664

will6999@vandals.uidaho.edu  
(208) 841-4627

**University:** University of Idaho      **Major:** Animal Veterinary Science Pre-Vet Option and Dairy Science

**Career Goals:** After graduation, I plan to attend veterinary school and specialize in surgery and reproduction. I would love to work with dairy farmers to help advance the industry and the lives of dairy cattle. One day I would like to also own a practice and have a major impact to improve animal health.

## Mary Willis

Box T-2371  
Stephenville, TX 76402

mary.willis@go.tarleton.edu  
(214) 608-8679

**University:** Tarleton State University      **Major:** Animal Production, Dairy Science emphasis

**Career Goals:** After graduation, I plan work on a dairy and specialize in calf management. I would also like to help make an improvement on the outside perception of such an important industry to our economy.

## Blake Wolf

2405 Trace Meadows  
College Station, TX 77845

bjwolf14@tamu.edu  
(940) 923-6983

**University:** Texas A&M University      **Major:** Agribusiness

**Career Goals:** After receiving my degree in Agribusiness with a certificate in Dairy Science, I hope to obtain a job within the dairy industry in marketing/sales. I have been involved with dairy all my life and believe that experience will help me excel in my field.
