## **MEGAN BYRNS MEMORIAL SCHOLARSHIP**

**This scholarship is given on behalf of Megan Byrns. She was in 4-H for ten years. She participated in the sheep project, started a quail conservation project and was a junior leader as well as president of her local club. She was involved in community service in conjunction with 4-H and also on her own. She passed away October 2009 in a tragic accident. She would have been supportive and honored to be able to give a scholarship to a deserving 4-H member.**
