

Generation Next: Our Turn to Ranch

Online Ag Business Start-up School

The **Generation Next** curriculum targets new landowners, those who are inheriting land, or those who are looking to start a new agricultural operation on an existing ranch. It is taught as an online school where participants will work towards developing a business plan with plenty of support from professionals who specialize in each field and topic.

Course Includes: 12 online classes of expert instruction with a complete business plan by the end of the course, and a Generation Next t-shirt and certificate.

Topics covered:

- How to start an agricultural business
- Understanding business taxes
- Insurance needs for your ranch
- Tracking your finances
- Evaluating your land resources
- How to set up grazing and wildlife management leases
- Basic ranch laws – fencing, water, etc.
- Land management techniques
- Alternative operations & direct marketing
- Setting goals with measurable objectives for success

**NEXT ONLINE CLASS:
AUG. 15 - Nov. 6, 2022**

The course will require approximately 2 hours of your time (at any time!) per week, for 12 weeks. You only need access to a computer with internet capabilities.
