

Kerr Wildlife Management Area

White-tailed Deer Seminar

October 25, 2024

1:00 pm - 5:00 pm

Join us on Friday, October 25th at the Kerr WMA for an afternoon of white-tailed deer focused presentations featuring an overview of deer research at the Kerr, including the recent nutritional energy study, a research facility update, mature buck movement study, and drones for census counts. Common deer diseases and the new disposal regulations will also be covered.

Limited Space; Please RSVP to 830-238-4483 or deanna.pfeffer@tpwd.texas.gov
