Celebrate the Holidays with 4-H Program

On **December 3, 2009**, at the Central Texas Christian School Cafeteria, 4-H members will show off their talents in arts and crafts and food and nutrition in an event call Celebrate the Holidays with 4-H. The 4-H members will make an arts and craft item whether it is sewing, jewelry, or a wreath as well as bake or cook a food item. The 4-H members will bake or cook a food item which can feed 100 people so the public and others can taste their item. These food items are generally appetizers, dips, or small pieces of candy or cookies. Make sure it is easy to make for a lot of people and serve a lot. These items follow a special occasion theme whether it be Christmas, Halloween, Valentine's Day, Summer, July 4th, Thanksgiving, etc. We also encourage the 4-H members to decorate their table to go with their craft and food item.

The youth can do the project with one other 4-H member to make both a craft item and food item or may make both items by themselves. They will be required to put the craft and food item directions on a paper to make as a handout for the audience. Some of the 4-H members will then share how they either made their food or craft to the audience.

The program will be a great practice for those entering the Youth Fair and a fun community service project for the 4-H members.

The Celebrate 4-H program will be open for the public to come and learn about what the 4-H members are learning in the foods project, clothing project, arts and crafts project area, and even public speaking project.

Entry forms will be available on the Bell County 4-H Website under Celebrate the Holidays with 4-H. **The entry forms will be due November 24th to the Extension Office.** This includes your instruction handout and your entry form. 4-H members participating will need to arrive at 5pm to setup and the doors will open at 6pm. The event will conclude at 8pm.

This year, the program will focus on two new 4-H project opportunities — Food Challenge and Outdoor Challenge. Science, Engineering and Technology, Team Building and Recreation round out the five educational workshops.

A lot of the clubs already collect coke tabs for the Ronald McDonald House. The county will be having a contest on how many coke tabs the clubs can collect during the 4-H year! The winning club will win a pizza party for your club and 50 club bucks to your club's total as well as each member will receive 5 4-H bucks. Each month at the county council meetings, you will bring your coke tabs to the meeting and the total count. We will give an update at the club meeting and in the newsletter to let you know what club is leading and how many they have collected.

Make sure and bring your coke tabs to the next meeting!

The Helping Hands Ministry is still in real need of boxes of jello, boxes of cornbread mix, and cake mixes as well as 25 lb bags of Sugar and Flour. If you would like to donate these items we will be collecting them until the end of November right before Thanksgiving. You can bring them to the Helping Hands Ministry on 2210 Holland Rd in Belton or bring them to the Extension Office or to the County Council meeting. Please help feed over 1000 people during Thanksgiving and Christmas.

The Consumer project's first meeting will be held **November 9, 2009 at 5pm at the Extension Office Meeting Room!** Make sure and come and learn all about the project and what it has to offer. We will be setting dates and times of other meetings. It will be a lot of fun!

RECORDBOOKS

Have you ever thought about doing a recordbook? A recordbook is good for those who want to keep records of their 4-H career, win awards for resumes, or help you with filling out your scholarship applications. All seniors who complete a recordbook say that it helped them with filling out their scholarship applications a lot. We have even helped create a format that ties directly to the 4-H Foundation Scholarship Form. How easy is that!!!

Recordbooks are getting easier to fill out and complete these days! If you would like to learn about how to complete a recordbook, the Bell County 4-H will be hosting 2 workshops this year to help you do a recordbook. The first workshop will help with how to start a recordbook and how to record effective information for recordbooks and will be in November and the second workshop will be in April and will be the second part which is how to fill out the forms and do tables and what to actually do to fill out the recordbook.

If you are interested, please attend the first recordbook training on:
