## RECORDBOOKS

Have you ever thought about doing a recordbook? A recordbook is good for those who want to keep records of their 4-H career, win awards for resumes, or help you with filling out your scholarship applications. All seniors who complete a recordbook say that it helped them with filling out their scholarship applications a lot. We have even helped create a format that ties directly to the 4-H Foundation Scholarship Form. How easy is that!!!

Recordbooks are getting easier to fill out and complete these days! If you would like to learn about how to complete a recordbook, the Bell County 4-H will be hosting 2 workshops this year to help you do a recordbook. The first workshop will help with how to start a recordbook and how to record effective information for recordbooks and will be in November and the second workshop will be in April and will be the second part which is how to fill out the forms and do tables and what to actually do to fill out the recordbook.

If you are interested, please attend the first recordbook training on:

**November 12, 2009 at 6-8pm in the CEO**

## Graduating Seniors

It is that time again for graduating seniors to start applying for college and filling out scholarships! Seniors need to apply for their colleges/universities NOW!!! Acceptance for some schools will come as early as November. It is better on a scholarship to have been accepted already to a school. So apply NOW for school!!!

Scholarships are also starting to come open and ready for applications. Make sure and watch the newsletter and the Bell County 4-H Website for those scholarship application deadlines. It is always being updated with new scholarships and deadlines.

If you are interested in learning about scholarships available through 4-H or how to apply for a scholarship, you can attend the scholarship training, which will be held at the County Extension Office Board Room on **November 5<sup>th</sup> at 6pm**. This training will be invaluable to learn about what scholarship donors look for in scholarships, how to write an effective essay, or how to fill out effective information on your scholarship application.
