Bell County 4-H Exchange Program

Have you ever thought about joining Bell County 4-H Exchange? If so, now is the time to join!

Not sure what 4-H Teen Exchange is? The 4-H Exchange Programs provide an opportunity for teens to visit various regions of the United States. While on an exchange, teens experience various cultures, participate in educational activities, share in leadership opportunities, develop initiative and independence, and gain a deeper insight into one's own values. It is a great opportunity to experience life in another part of the nation. Fundraising and planning create many opportunities for teens to sharpen their leadership, communications, and organizational skills. Exchanges provide fun and effective tools for developing strong life skills such as problem solving and teamwork.

Bell County 4-H Exchange just completed a very fun exchange with Houston County, Minnesota. We stayed with them for a week this summer, learning all about Minnesota history, culture, sightseeing, and developing some great friendships.

If you wish to participate in the Bell County 4-H Exchange Program please plan to attend our next meeting at the **Rogers High School (Carol A. Bonds Building)** on Sunday, September 20th at 1:30 or contact Kathy Ide ckide3@yahoo.com (254)493-2548. Please check out our **Bell County 4-H Exchange Facebook** page!!!
