The Café Homestead Menu can be seen [here](#). In addition, they also have a couple of food trucks there on Fridays that serve BBQ and Barbacoa Tacos and Grilled Corn. There are picnic tables in the shade for those who prefer to bring a picnic lunch. I think you will need around \$10-\$15 to eat at Homestead Heritage. Also, there is a shop at their site for souvenirs; your child should bring money for any purchases if desired.

We will be making these great projects.
