The Bible commands us in Matthew 6:1-4 not to give our alms before men. Because of this, I have chosen not to list any 'charity' or helping the poor & needy, as doing so would not only be going against my understanding of those verses. In addition, I would not wish to gain recognition from someone's unfortunate situation.

"Take heed that ye do not your alms before men to be seen of them...that they may have glory of men...but when thou doest alms, let not thy left hand know what thy right hand doeth." Matthew 6: 1-4
