Council Officer Election Process

Council Officer Election process will consist of 3 parts:

1. 2 Minute Speech (in front of voting delegates and judge(s))
2. Vote by Voting Delegates
3. 5 Minute interview (in front a panel of judges)

Explanation of Process:

• 2 Minute Speech: The Candidate will give a 2 minute speech about running for office. The Speech will be given to the voting delegates and a judge(s). The judge(s) will rank the set of candidates from 1-10 with 1 being the best and 10 being the least best (if less than 10 candidates or more than ranking will be little or bigger- ie- 1-6 or 1-12). Items to include in speech and items evaluated will be:

- Speech Structure (Introduction, Body, Conclusion)
- Speech Delivery (Confidence, Well organized, Language-Body and Speech)
- Content should include:
 - Name
 - Club
 - Years in 4-H
 - Previous Leadership Experiences
 - Why do you want to run for office?
 - Why would you be a good officer?

- Vote by Voting Delegates: Voting Delegates will vote and rank the Candidates from 1-10 on an online voting system. (1 being the most wanted as an officer and 10 being the least)- Voting Delegates will be checked at the door to make sure they are voting delegates and represent their club. Online voting will take place in the Board Room. An average/mean ranking will be given that will give the Candidate a score.

- Interviews: Candidates will give a 5 minute interview to a set of judges. They will be evaluated by the panel of judges and will be ranked from 1-10 with 1 being the best and 10 the least best. (Same as speech). Candidates will be evaluated on Speech Structure, Delivery, and Content/Response to the Questions. Some questions include but are not limited to:

- Why do you want to be a county council officer?
- What is the process to make a motion and vote on it?
- How do you think the County Council would benefit from your leadership?
- What does it mean to you to be a county council officer?
- As a part of the Council Executive Committee do you believe that teamwork is important? Please give a short explanation.
- Summarize your most significant 4-H leadership responsibilities (offices held, leadership or citizenship activities, etc.).
- Summarize your involvement in church, school, community and other youth or civic organizations.

Calculation of Results:

1. The Candidate with the lowest score will receive the top position UNLESS they are not running for that position on the Intent to Run Form. If they are not running for that position, they will receive the next highest position they are running for. (For Example: If Candidate 3 receives the lowest score and is only running for Vice President and not President, then they will receive Vice President and the next lowest score that is running for President will receive President.)
2. If in an event there is a tie of scores then the 1st tie breaker will be the vote, 2nd interview, 3rd speech.
3. Calculation of Results will take place in the Board Room. The Advisors will tally the scores on an Excel Sheet and give results to President to announce.

Tentative Schedule of the Council Meeting/Officer Elections:

- 6:30-6:45pm: Sign In/Meeting
- 6:45-7:05pm: Speeches
- 7:05-7:15pm: Voting by Voting Delegates
