

Texas 4-H Marketing Materials for 2013-14

For the Kids!

4-H Membership Cards

Starting in 2013-14 each Texas 4-H member will receive their own 4-H membership card. The card is made of durable plastic and provides a place for the 4-H member's name and county to be written in with a permanent marker.

The back of the card has information from two of our great alliance partners - LaQuinta and Anderson Bean Boots!

For the Clubs!

Join 4-H Yard Signs

Let your 4-H clubs show their pride with these new "Join 4-H Yard Signs." Each club will receive one sign for placement in their community inviting new members to join.

The sign features a space for either the club manager or the county office phone number!

For the County!

Printable Post Cards

Say thank you to that special volunteer, invite people to an event, or announce something exciting in your 4-H program with these colorful, new postcards.

Postcards are printed on laser printer safe paper with four per sheet. After printing, just tear along the perforated lines, and distribute!

Each county will receive a marketing packet with cards, signs, and post cards after mid-August. Allocation of membership cards is based on last year's enrollment numbers, signs are one per chartered club, and post cards are one packet of 100 sheets per county. Additional yard signs and post cards will be available for purchase from AgriLife Bookstore.
