Part II

We, the undersigned Exhibitor and parent/guardian certify that we have read, understand and will abide by all rules and regulations of the Houston Livestock Show and Rodeo. We further certify that we have not administered to and have no knowledge that this entry has received any substance not approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for food animals. Furthermore, we certify that all entries will be FREE OF ALL DRUG AND CHEMICAL RESIDUES upon arrival to NRG Park and will remain free of all drug and chemical residues while on show grounds. We, the undersigned, understand that the time it takes for drugs and chemicals to be entirely excreted from the body through the urine of animals is generally longer than the labeled FDA and USDA withdrawal times for most approved drugs and chemicals.

If an animal requires emergency treatment while on Show grounds, only a licensed veterinarian will be allowed to administer any drug, chemical or feed additive. An Exhibitor may choose a licensed veterinarian other than the Official Show Veterinarian, but the Official Show Veterinarian MUST be notified in advance and he/she MUST be present. All treatment costs are the responsibility of the Exhibitor. If an animal is treated by a licensed veterinarian while at the Show and the medication administered contains a labeled withdrawal time or unpublished elimination time, the animal will be disqualified. Sifted and non-placing barrows, lambs and goats will be sold as condemned if the animal is under any withdrawal requirement. The Official Show Veterinarian, in agreement with Show Management, reserves the right to treat any animal if, in the opinion of the Official Show Veterinarian, it is in the best interest of the animal's health and well-being to be treated. If the Official Show Veterinarian administers treatment to an animal and therefore uses any medication that does not meet the appropriate withdrawal or elimination time, the animal will be determined ineligible for competition.

The Houston Livestock Show and Rodeo reserves the right to condemn and/or disqualify any animal, either live or slaughtered, found in violation of the use of drugs, chemicals or feed additives as described above and the exhibitor will forfeit all auction sale and/or premium money if the animal is disqualified. If an animal(s) is disqualified for testing positive and/or the carcass condemned at slaughter, the class placing will not change. An exhibitor of an animal testing positive for any drug or medication or unapproved chemical may forfeit all rights and privileges to exhibit livestock in the future at the Show. Furthermore, any infraction resulting in disqualification may affect Exhibitor's scholarship eligibility.

The undersigned fully understand and grant permission to HLSR to report any and all rule infractions to the North American Livestock Show and Rodeo Managers Association (NALSRMA) Rule Infraction Database (RID). Furthermore, we understand that this information will be available to the membership of the NALSRMA.

The undersigned represent that they thoroughly understand that this is a complete and final release and indemnity agreement, that they are voluntarily entering into this Agreement, and that no representations, promises or statements made by any HLSR Party, or any agent, attorney or other representative of any HLSR Party has influenced the undersigned in causing them to sign this Agreement.
