“To Make the Best Better”

Dear Potential Sponsor,

The Bell County 4-H Youth Development program continues to grow with dedicated youth and volunteers. We currently have over 600 youth in Bell County and 250 volunteers that help support our youth programs. Bell County 4-H has a history of developing outstanding community leaders, those include, bank vice presidents, independent business owners and leaders, county commissioners, teachers, doctors, and attorneys.

With your support, we can continue this youth development in Bell County through programs, workshops, skill building, public speaking, and contests for independent interests. Bell County 4-H has awarded over \$33,500 in scholarships to local youth. For example, our youth have earned a total of \$375,650 over the past 5 years for their accomplishments in youth programs.

We would be happy to provide you with more information about how your company can help Bell County 4-H. Please contact the Bell County Extension Office at 254.933.5305 if you have any questions or request a time for a personal appointment.

We greatly value your donation and it will be used to benefit the Bell County 4-H program. If you wish to contribute, please complete the form below.
