4-H Exchange

Our 4-H Interstate Exchange Program provides exciting opportunities for 4-H members in the 7th through 11th grade; where they experience the vast cultural and geographic diversity of the United States. The Exchange Program involves a partnership between Bell County 4-H and a 4-H program from another state. Exchange takes place one week during the summer over the course of two years. Each group of 4-H members hosts the other and guides the group around their state, sharing culture, agriculture, history, sightseeing, and much more. The 4-H member is expected to fully participate in raising the funds needed to take part in the program.
