Theme—Reinventing Fashion with History

4-H members should create their Storyboard around their interpretation of the design brief. See how history shaped fashion through the decades; from the roaring 20's to the groovy 70's, from the classic 30's to the vibrant 80s and the fashion "mash-up" during the 2010's. Each decade has its own style, look at the events, music and politics that influenced design during the different decades. This year reinvent fashion by the events that happened in a previous decade or a decade yet to come.
