4-H Enrollment

Enroll NOW! Membership dues increase to \$30 per child starting on November 1st!

4-H Enrollment for the 2021-2022 year is still open! All enrollment is done via 4HOnline 2.0. You can access 4HOnline 2.0 by going to our 4-H website at <http://agrilife.org/bell4h/> and clicking on the 4HOnline icon. The 4-H program year begins on September 1, 2021 and concludes on August 31, 2022. For accountability purposes and the requirement for keeping mailing lists updated, the Texas 4-H Program uses zerobased enrollment. An active enrollment is required in order to register and participate in all 4-H activities and events. Each year on August 15th all membership in Texas 4-H goes to inactive and all youth and adult volunteers must re-enroll.

Youth members are required to pay a \$25.00 participation fee if enrolled by October 31st, and a \$30.00 fee from November 1st to the completion of the 4-H year. Adults are also encouraged to sign up as program volunteers! Adults pay a \$10.00 volunteer applicant fee. Adults and youth will need to enroll on 4HOnline and be active to be considered an official member of Texas 4-H.

Youth may participate in the 4-H year from September 1st of grade three through August 31st following completion of grade twelve, with these age restrictions: minimum age - 8 (as of August 31 in addition to being in the 3rd grade) to a maximum age - 18 (as of August 31).

For instructions on how to enroll, please visit:

<http://agrilife.org/bell4h/4-henrollment-guidelines/4-h-enrollment-information/>

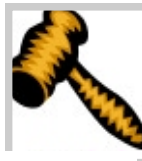

If you have further questions, please contact the County Extension Office at (254) 933-5305.

Academic Eligibility & Excused Absences for 4-H Competitions and Activities

To participate in any 4-H competitions, contestants must be enrolled in 4-H and academically eligible according to their school. For public/private schooled students, the Extension Office will work with those schools to obtain academic eligibility and request excused absences when appropriate. If a member is participating in a 4-H event/competition, please contact the agent advising that project area at least two week in advance of the event to communicate when the child will be missing school. All home schooled students will need to turn in an academic eligibility form by email at least one week prior to the event. Those forms can be found at <https://agrilife.org/bell4h/4-henrollment-guidelines/eligibility/>.
