The Bell County Animal Shelter helps promote general animal welfare through the management of stray animals. Each year the shelter takes in and cares for hundreds of animals. The shelter depends on generous community donations of food and supplies to function. Items needed by the shelter are being collected through the month of January by the Bell County 4-H Council and can be dropped off at the CEO.

The shelter also maintains an Amazon wish list that allows you to order directly from Amazon and ship directly to the shelter. This wish list is available at
