

BELL COUNTY 4-H HUNTER'S SPECTACULAR

Kicking off the 2024-2025 4-H year with a bang!

Bell County 4-H is a youth development program for youth. 4-H is the largest youth development program in Texas with more than 550,000 youth each year. Bell County 4-H has 14 clubs with over 500 youth members!

Within the 4-H program our youth participate in programming that enhance leadership skills, STEM development, and responsibility to a program and project. Examples of the programs and projects that our outstanding youth participate include:

- * Agriculture Awareness—promoting the agriculture industry at all levels.
- * Water Conservation and Resources –building a better community understanding of the need to conserve water and natural resources.
- * Leadership skill building by participating in state wide Ambassador programs to promote educational programs and contests to improve public speaking skills.
- * Health and Wellness—guiding the community to promote improved nutrition and meal planning.

Bell County 4-H has continued an outstanding program with many of our youth advancing to higher education with the help of 4-H Scholarships.

The 4-H program does not receive any state legislative funding, therefore all activities and programs are funded through donations. Your contribution will assure that many of these youth development programs will continue in Bell County.

The Bell County 4-H Hunter's Spectacular is our annual fundraiser to support the program for the 2024-2025 4-H year. Your donation will assist Bell County's 4-H program which supports our youth that are involved in our 4-H program.

Thank you for making a difference in our youth!

Sincerely,

Sheryl Long
