

Fruit Tree Basics

January 11 @ 10:00 am - 11:30 am

Fruit Tree Basics

With David Rodriguez
Horticulturist, Texas A&M AgriLife Extension Service

Free Seminar hosted by Milberger's Landscaping & Nursery
3920 North Loop 1604, San Antonio, TX 78247
Saturday, January 11, 2020
10:00 – 11:30 AM

If you love citrus, you won't want to miss this! David will cover the basic steps of selecting appropriate fruit trees for your landscape, how to properly plant them, training, managing, and harvesting your trees, and general overall maintenance. Whether you want to plant your fruit trees in containers for your patio or establish an attractive back-yard orchard, this seminar will get you on track for success with your fruit trees.
