Hey guys!

Kelsey here.....

In the journey of life you meet people who are hard to forget. I'm glad to have met and had the blessing of being your County Extension Agent this past year. I have had the opportunity to work with and guide the best youth in Brazoria County and the State of Texas. From long night planning meetings to preparing teams for contests to watching those 4-Her's be successful and grow as young adults is what I will never forget. Parents and volunteers don't think I forgot about you! You are the glue that keeps this program running successfully. I want to thank each and every one of you who has helped in guiding Brazoria County 4-H in the right direction.

This is not a goodbye. I cannot say goodbye to those whom I grown to love, the memories I have made here in Brazoria County will last a lifetime, and they'll never know a goodbye.

I will be leaving Brazoria County next week to take another step along the path the lord is leading me down.

I'll make this easy for everyone, rather than saying goodbye, let me tell you hello in advance for the next time I get to see my Brazoria County family.

Till next time,
