Leslie Hargrove gave a report on the Financials Club Reports. As of January 31st the balance in the account was \$104,883.87; of that we have outstanding checks that have not cleared. The bank ledger balance is \$80,606.75. All accounts have balanced, there are no bookkeeping issues. Leslie did change Category 43 per the special meeting to Member Care Fund. The budget has been adjusted. The budget updated will be distributed. Not a lot of activity this month.

Britney Campbell reported that Alvin 4H is busy getting ready for County Round up

Old Business

Leslie Hargroves reports that in her research on CD rate, they are current very low less than 1.0%, we would need to discuss this and decided if this is what we want to do. 36 month CD is 1%

Leslie also went to get the signature cards completed at TDEC. Found out that half of the people on the signature card have to be members. There was a lot of discussion on where we might want to have our account. It was determined that we need to do some research to

local banks in the area. Judy Hamelmann made a motion that we move our bank account from TDEC to a friendlier bank. The motion was seconded by Britney Campbell.

Reminder to pass the word to the graduating seniors to order cords. Due April 2nd. Cassidy emailed the seniors. This is also posted on Facebook. Judy recommended that we check other places than 4H Mall for prices of the 4H Senior cords.

We also talked about Amazon smile with Brazoria County Parents Association as a recipient. Cassidy will send out an email.

Jennifer Winans asked about the status of the project pins. Sandy reported that this is still being discussed by the Awards committee.
