

Brazoria County 4-H Project Completion Pin Application – 2026-2027

To qualify for a project pin you must be currently enrolled in 4-H Online. You must fill out a project completion form, even if you submitted a record book.

Direction: 6 project experiences must be listed in this application. Project Experiences must list activities that you learned from, and the knowledge gained within that activity. NOT the different contests the member attended. Tell us what you learned. Did you attend project meetings? How many hours did you spend learning? Where did you go to learn? Must be detailed.

NOT an acceptable answer:

- I baked a cake for a birthday and it was fun.
- I picked up trash at the beach.
- I entered a jackpot show and won 1st place.
- My team was 2nd place at the contest.
- I changed my feeding program for my broilers.

ACCEPTABLE answers:

- I baked a cake for a birthday, and learned the importance of making sure the oven is on the right temperature.
- I picked up trash at the beach. This experience gave me awareness of how litter really impacts the environment.
- I entered a jackpot and this was my heifers first time at a show. She was very timid, but I am glad we took her. It is important to show your animals new surroundings.
- My team won 2nd place at the contest. This contest was challenging for us, but we are better prepared for next year. I now know that I need to study _____ more.
- I researched a new feeding program for my broilers to improve their performance. I learned the proper use of vitamins can prevent leg weakness.

Project Completion Pin Applications will be RETURNED to the member if it does not meet these criteria.

See the Project Pin Category List for Project Pins that are available to apply for, and fill out the information below. If you don't think your project falls under any of the available pins, please write "Other" in the space above. Cassidy and the Awards Committee will decide which pin the project falls under.

Applications will only be accepted in person at the 4-H Office (21017 CR 171, Angleton, Texas 77515), or submitted online at <https://agrillife.org/brazoria4h/project-completion-pin-application/>. Applications will NOT be accepted via email.
