BRAZORIA COUNTY 4-H CLUB COMMUNITY SERVICE AWARD

The 4-H Club Community Service Award will be given to the top 4-H clubs which have submitted an application to the 4-H Office by June 30th. The application will be judged on the amount and quality of community service and also the percentage of members, leaders, and/or parents involved. Community service is defined as something you do for organizations outside of 4-H *as a club*. If you are unsure if something qualifies as community service, please contact the Extension Office for clarification.

Please submit community service projects that happened between July 1 2026, - June 30, 2027.

- The County Extension Agents will be responsible for obtaining non-biased judges.
- The winning club will have their name engraved on a plaque for a trophy to be displayed at the Brazoria County Extension Office.

APPLICATION FORM
