YEARS

COLLEGE OF  
AGRICULTURE  
AND LIFE SCIENCES

Ready to watch the Aggies take on Mizzou?  
Then join us at the College of Agriculture and Life Sciences  
tailgate tent, Saturday, October 29!

We'll have delicious burgers from Fuddrucker's, plenty of  
soft drinks, and an impressive Aggie market, where you'll  
find mementos of the College's first 100 years — including  
reprints of the centennial painting by  
Aggie artist Benjamin Knox.

## Countdown to Game Time

### *3 hours before*

- ⑥ Grab some grub from Fuddruckers.
- ⑥ Catch some other games on the AgriLife Center TV wall.
- ⑥ Score great deals at our Aggie market.

### *1 hour before*

- ⑥ Time-out for a special centennial presentation from Dr. Mark Hussey, Vice Chancellor and Dean for Agriculture and Life Sciences.

Stop by the big tent, say hello to your fellow Aggies, and  
join us for a party that's been 100 years in the making.  
See you there! Gig 'em, Ags!
