

2022 District 12 4-H Digital Storyboard Contest

General Rules and Guidelines

OVERVIEW

The 4-H Storyboard is an industry-inspired method of displaying original designs. The best storyboards create vivid visual images that are interesting and appealing to viewers. The storyboard “tells the story” of the designer’s idea. The storyboard includes original illustrations and flats, as well as additional materials (such as photos from the Internet or magazines, paper, fabric swatches, patterns, etc.) that have influenced the unique design.

PURPOSE

The purpose of the Storyboard contest is to give 4-H members an opportunity to create a storyboard of their original design. It also provides the members an opportunity to gain knowledge of the career responsibilities of a designer and illustrator, enhance creativity and originality, and develop visual communication skills.

DESIGN BRIEF

The following design brief serves as the direction for the 2021 Storyboards. 4-H members should create their Storyboard around their interpretation of the design brief.

Reinventing Fashion with History

See how history shaped fashion through the decades; from the roaring 20’s to the groovy 70’s, from the classic 30’s to the vibrant 80s and the fashion “mash-up” during the 2010’s. Each decade has its own style, look at the events, music and politics that influenced design during the different decades. This year reinvent fashion by the events that happened in a previous decade or a decade yet to come.

 - i) Original design should serve as the focal point of the design.
 - ii) Placement of the inspirational items should allow the eye to flow across all elements of the board without distracting from the design.
 - iii) “White space” or “blank space” should be kept in consideration. Too much or too little white space detracts from the design.

 - b) **Cohesiveness of Imagery and Overall Aesthetic** – Unified design elements throughout the board. Design elements can be anything including color, fonts and images.
 - c) **Balance** – The visual weight of the elements on the storyboard. Visual elements should be placed in a pleasing arrangement to fulfill a purpose or achieve a desired look and feel.

 - e) **Originality of Design Illustration**– The focus of the storyboard contest to display your original designs, not create knockoffs of designs that are already on the market. As the designer it is important use your imagination and inspiration to create fresh and novel ideas. All design illustrations and flats should be the original work of the 4-H member. The design may be hand drawn or computer drawn. No “copying and pasting” from someone’s design as seen on the Internet, in a magazine, or other sources for the original design.

- f) **Design Detail in Flats** – Should include the at least one Illustration and at least one Flat. *Flats* - A flat sketch is a two-dimensional technical drawing which illustrates a garment with basic solid lines. It is like the “blueprint” of your design. The word “flat” refers to the way that they are drawn: imagine the item is lying flat on a table so that you are viewing all details from either the front or the back.
- g) **Titles/Labels** – The title for each storyboard must be: ***Reinventing Fashion with History*** Additional labels maybe added to the board as needed to provide details as related to the overall design of the board. A subtitle may be used for a more personalized name of the design. Labels may be included to enhance the storyboard or to clarify a point, but they will not be required.

- i) **Completeness** – Storyboard follows the contest guidelines and includes an illustration, flat and inspiration pieces.
- j) **Image credit** – List the photo credits for the pictures used in the storyboard. These will be included on the storyboard label.
